HULL, CANADA.

In purchasing a Cooking Range, every person wishes to get one that combines efficiency, economy in use of tuel and durability.

The "Happy Thought' Range may not be as cheap as some other stoves, owing to its supe- (hing on rior construction, but the UIIIUUSU saving in fuel, durability,

and ease of management more than repays one for the slight additional cost. We have still a very fine assortdent; D. Derbyshire, D. M. Macpherson, Mrs. John Freeman had her left arm ment of Second-hand Heating Stoves.
