> three boys and forty-seven girls received in the home during the year; many had been located in houses about the city In speaking to the report Mr. Mackie God had removed the natural protections que, and Miss Lou Ireland. Frankville, that purpose. In any city like Kingston such a home was essential. The question had been asked, "Can a mother forsake her child?" Alas, yes. We have read it in the papers, only a few days ago, that such an act was committed in our own city. It would be hard to be without such a refuge now. The institution was looked after by women who pu-sessed those peculiar excellencies and abilities befitting to such a work. Rev. D. Laing seconded the adoption
