The protest was sent on Monday Chieves, took a drink of cod liver oil, evening, and it was not until Wednesthis morning, out of curiosity, not liking | day evening that it was learned here that the taste he took a drink out of another | the protest had not been received by the bottle to take it out of his mouth. This secretary of the union in Toronto. Why time he struck a bottle of tineture of it was delayed is a matter of conjecture

The grounds on which the protest was based were: Field not marked off, and interference by crowd. The college reseived no part of the gate money in Kingston, for the very good reason that mother be costive or bilious the most a gate could not be collected. There is no fence sround the field to prevent the citizens from coming on the grounds. There is nothing, in fact, to | CTAMPS WANTED-Old Canadian, United keep the spectators off the field where | 13 Mintes and Fereign, as used 25 to 21 years play is going on. This, as stated, is one W. Robinson, sr., says the recent wind of the reasons why the game is protested.

lege in Ottawa. The protest has come to light. To-day, J. T. # Dress

To a refined and civilized people is always important and worthy of attention. The male member of the community affects the part of the s'oical Greek, but the ladies are guided by a diviner instinct in this matter. They trust their institutions, and these give a surer light than anything evolved by the logical process. They trust their experience, too, when about to buy, and this invariably leads them to the cole-
