away about fifty pounds of smoking and chewing tobacco. They examined the shelves carefully and pulled out all the The entire stock, over 300 drawers. In one they got about \$1.50 in coppers. The safe was tampered with and the handle showed the burglars had five hundred yards FANCY tried to pry it off. They must have been in the store about two hours, for they seem to have taken great care in emptying the tobacco boxes. They got in through a window leading into the office at the rear of the shop. This window is glass was left in the sash. They had to crawl between the bars and through the opening left by the removal of the glass. This morning some tobacco was found | ville, will be called to the bar at Toronto | Ottawa, on Monday, were removed to just outside of the window. It looks as in a few days. Mr. Brown will imme. Picton for burial. if the tobacco was handed through the diately return to Kingston and hang out burglarized and in no case have the thieves been captured. He says he will in future adopt an electric service which shop at night.

MOVEMENTS OF TRAMPS.

Not Now Afraid to Seek Protection at Police

There were four tramps in the police station last evening. One, Charles a blacksmith, to go to St. Albans and on founded. No such thing was ever hint-arriving there Goodsch went to work as ed to the officers, and they are not at all a painter. He did well for a while and straid of such a procedure occurring. then business became depressed. He left and went to Montreal, securing a position on a barge. While wheeling wood considerable expense and when he got he is now trying to make money. better one of his sisters died and he had to put up for the funeral expenses. His cash all gone he determined to tramp in search of work. He walked from Ottawa every Three Dollar to this city. He tried hard to get a position here as hostler and failed. He says he is not lazy; he is willing to work at anything. Before coming here he tried to get work with farmers, but none of them would have him, even for his board. He says farmers are hard employers. If a man works for his board they want him to do as much as if they were paying him \$50 per month. He is going to keep a boarding house in Montreal, but | the next highest pupils. he is too independent to live on them. and decided to tramp for work. In travelling he is very careful. He put

Wearing Of The Cassock. KINGSTON, Nov. 16 .- (To the Editor) The good Anglican church people of the wearing of a cassock by their minister, just as they had been by the East Lambton, being dissatisfied with placing of a wee bit of a cross in the the platform of P. D. M.Callum, the back of a chair. Though the good book says 'God forbid that I should glory lature, will probably put a man of their | save in the cross of my Lord and Saviour, Jesus Christ,' that cross was out out from the chair and a number of strongminded, able-bodied men breathed easier. In the light of experience these thing for the angry parishioners to ab-Another case of sample mantles stain from the Sacrament. People in
