QUALITY. VARIETY. STYLE.

> These are predominant features in every department of this house. You will find how much we value them as the allimportant essentials of our business when you have occasion to inspect any particular line of Clothing, or when you look through our matchless collection of Men's Underwear, Hose, Gloves, Ties, Collars, Cuffs or any other apparel desired.

And then there is the perfectly logical reason-of being the largest direct buyers and importers-to give weight to the claim that we can, and do, afford a special advantage to our patrons in prices.

THE CASE MUST GO ON. The Judge Held That There Was No Ke course But a Verdict.

Offawa, Nov. 18 .- In the Connolly McGreevy case this morning, at the conclusion of the prosecution, Judge Rose said that as there were large sums of money paid over to Thomas McGreevy Larkin Connolly & Co., for which there appears to have been no value received. he had no course left open to him than to allow the case to go to the jury, and the defense was immediately called upon to bring on their evidence. Avisworth endeavored to show that the money re ceived by Thomas McGreevy was for political purposes and not for his per sonal benefit. The judge said that one was as bad as the other and the plea offered was no excuse for the client who had re ceived the money.
