THE DAILY WHIG. "Opifer per Orbem Dicor."

WINNIPEG ELECTION. The election of Hon. Joseph Martin the liberal candidate, in Winnipeg, to the seat in the dominion house made vacant by the resignation of Hugh John Macdonald, is an emphatic condemnation of the Thompson government. It is true that Mr. C. H. Campbell and Mr. seem as if ladies colleges generally must be doomed to the degradation of meet. Thursday morning, Rural Dean Baker reduced from \$1.00 to 50c. Atkinson & and the house is still empty. Mrs. Bolton bas been quite ill, but is slowly recover-ARCHITECT Martin occupied practically the same ing these methods by similar campaignplatform, that both proclaimed them- | ing if only to curtail the injustice of selves in favor of tariff reform, that both with the Manitoba school question, and they touch the level of peddling employ-in any case the result meant a rebuke to ment. Nearly every ladies' college pupil the central government. The special significance of the election is this -that

Mr. Martin was recognized as an uncompromising opponent of the government and one who was pledged to insist upon a complete revision of the tariff. the wise men in the east is very mportant. Mr. Foster will recall his the business men of that city correctly revision. interpreted public opinion to him though he acted as if they did not; and Sir John Thompson must see how unpopular is his policy when no one could be found to sor, who openly declares his preference stand up in its defence. There is nothing in the history of the campaign which admits of any apology for the conservative defeat. Winnipeg has been hitherto regarded as a conservative city, and it repudiates the conservative government in the most emphatic manner. The handwriting is on the wall

flor and prominent

* GOVERNMENT OFFENCE.

Some time ago the government solicited tenders from the companies that were disposed to build a a certain number of locamotives, and have them finished not later than a certain date, for the Intercolonial railway. The Kingston Machinery & Engine company was attend. Some day, you may have the honest in its tender and it lost the work. | rheumatism or some other trouble and A Yankee concern, with little regards you'll feel sorry you didn't go when you for conditions and perhaps little expectation of performing them, undertook that contract and failed to complete itin the proposed time. A long time afterthe locomotives were delivered,

and they seem to have been accepted. A grievance results, one which the Kingston company has a right to press, and redress for which should be demanded in parliament if it cannot be got any other may. But now comes another charge of dis-

loyalty to its own policy which has been preferred against the government. It has been importing lubricating oil, for its own use, from the United States free COU considerable of a row over this act; the at Louisiana Point, and of H. H. War-phustown, Gananoque, Oxford Mills, nent Mason and held positions of trust throat, inflammations and congestions. oil men are going to have a public enquiry into the facts, and the Ottawa Grieb, at Point Vivian. The Toronto "News" has a cartoon of Mr. Meredith asleep, against the trunk of a tree, and with the spiders building a cobweb over him. The picture is typical of the man's political inactivity, and anything but suggestive of the aggressive campaign which is expected to make him the premier of Ontario.

It has been the pride of Ontario that its colleges have occupied a dignified as well as improving station and it is not pleasant to learn that some of their managers have resorted to personal canviss of the country. Even college presidents are turning themselves into educational drummers, and it would seem as if ladies' colleges generally must misrepresentations by the peripatetics. Competition is said to be healthy but not in educational institutions when in leading schools has been canvassed by some one or more of the solicitors. Education is not likely to be strengthened much less honored, by extraordinary inducements and undermining endeavors. SPIRIT OF THE PRESS.
