city last week against an east wind. The sohr. Queen of the Lakes reached here from Oswego yesterday and dropped anchor off Breck & Booth's dock, As was expected the suction pipe caused trouble to vessels. The Queen got her anchor entangled in the pipe and will have a time getting away. The anchor STEACY & STEACY chain will probably have to be cut-loose and left there till spring when a diver was sent up to the vessel this morning. It is hardly probable she will go up the bay for wheat as was anticipated.
