on. Gladly will I listen to you."

dead see and hear nothing of the pains of the lost, for that would entirely spoil the joys of paradise for them, but now and then -I believe once a year-it is given to the blessed to look down into bell. There is, however, one condition in particular attached to this privilege. When the dome which conceals hell from the eight of the angels is opened, it is for the relief of the

God in his mercy has decreed that the saints shall look, down into the abyss in order to tell St. Peter if they see among the damned any one from whom they have try among the mountains, for they said it received any benefit or of whom they have even heard any good. If the keeper of heavbut that of the village parish where my en's gate is pleased with the generous action which the lost soul performed while on | parents were born. So I was taken there. earth, he has the power of shortening the | The six nuts that I had saved I took with time of punishment or can even pardon it | me to play with. This I most enjoyed doaltogether and bid it enter into paradise. | ing in the spring, alone on the little strip | ed, who are broken down from excess or when hell was open to view and came to

know thereby many strange things. as the peasants used to say. It was granted to me to look into place of torment, and the things I saw there were awful. Picture it to yourself as you will! When I recovered from the horror that fell upon me, I recognized many men My body was always aching, but my pains and women whom I had known on earth. ng the latter I noticed a woman

whom I had known well on earth, and who deserved to be among the lost, Lthought. I had never anticipated any other sentence for her. Although she had possessed more than was needed to gratify her own wants, she could never be moved by the most touching appeals of the poorest to relieve "There is no chance of a voice being raised

p her favor," I said to myself. But I was wrong, for at that moment a lovely angel wings. Without any sign of fear it flew ditest to St. Peter, who looked formidable enough with his long beard and great keys, and pointing with its little forefinger to the hard hearted woman cried, "She once gave me a handful of nuta." "Really," answered the keeper of heaven,

prised, for that woman would not part with so much as a pin during her life. But you, little one, who were you on earth?" "Little Hannele was my name," answered the angel. "I died of starvation, and only once did any one give me anything in my life to make me happy, and that was | the old women. Each one of us had a half,

that woman youder." "Marvelous," answered Peter, stroking his white beard. "No doubt the nuts were given as a miserly payment of some service you did her."

"No, no!" the angel answered decidedly "Well, tell us how it happened, then the apostle commanded, and the dear little "My sick mother and I lived in the city

all alone, for father was dead. Just before parrator with the question, "Do you mean the nut tree in Dorbstadt?" and receiving Christmas we had nothing more to est, so mother, though she fay in bed and her hea an answer in the affirmative he cried: "I, and hands were burning, made some little Master; I am that old carpenter, and dursheep of bits of wood and cotton, and I caring my last summers I had no greater ried them to the Christmas market. There pleasure than to sit by the Fresh spring I sat on some steps and offered them for under the nut tree, and while I smoked my sule to the passersby, but nobody wanted pipe to think of my old wife, whom I was them. Hours passed, and it was very cold. soon to find again with you. In the au-The open wound in my knee, which no one tumn, too, many a dry brown leaf found saw, pained me so, and the frost in my finits way among the more expensive tobacco gers and toes burned dreadfully. ones. But the nut trees were cut down

"Evening came, the lamps were lighted but I dared not go home, for only one person had thrown a copper into my lap, and I needed more to buy a bit of bread and a few coals. My own pangs hurt me, but that mother lay at home alone with no one to hand her anything or support hef when her breathing became difficult hurt me still more. I could hardly bear to sit on the cold steps any longer, and my eyes were

"A barrel was set down in front of the house, and while a clerk was rolling it over the sidewalk into the shop the stream of passers was stopped. That woman there-I remember her well-stood still in front of me. I offered her one of my sheep and looked at her through my tears. She seemed so hard and stern that I thought, 'She won't give me anything.' But she did. It seemed auddenly as if her face grew softer and her eyes kinder. She glanced at me, and before I knew it she had put her hand in the bag which she carried on her arm and thrown

blind with tears.

the nuts into my lap. "The cask had been rolled into the shop services to the sick poor there. When Hanby this time, and the throng of people cariell her afong. She tried to stop. It was fore my time-the misery was even greater not easy, and she only did it to toss me a than at present. The weavers were ground second, third and fourth handful of the down by the large manufacturers until an most beautiful walnuts. I can still see it all, as if it were today! Then she felt in her and paid them better wages. pocket, probably to get some money for me, but the press of people was too strong for her to stand against it longer. I doubt

was wanting in which to house them, for if she heard that I thanked her." Here the angel broke off and threw a kiss were carried-was no longer large enough to accommodate them all. Therefore the to the condemned woman, and St. Peter asked her how it happened that she, who parish, aided by the owner of the factory, had been so deaf to all appeals from the built a hospital for the whole district, and poor, had been so generous to the child, the site of the old poorhouse was chosen for The termented woman answered amid it. The beautiful nut trees which Hannele her loud sobs: "The tearful eyes of the livhad planted had to be destroyed. was four months old, she said, and as I grew up the weakness and ill health became more pronounced. My blood was christianity, in the most active period of said to have turned watery. I was weak, pale and dull and could do nothing but endanger his health, and out of his plant. suffer. Nothing the doctors did for me was of any use and I grew worse and worse. Father spent a farm on me, but it was of no avail, and father and mother gave me up and felt that I was going to die. I expected to die myself. I had no blood, I was as pale as a corpse and so pany of pious men, and it was not many weak I could hardly walk. My heart month before Emir, Hyderabad Mon also gave me very much trouble and if I lifted my hands my heart would jump karat Turk as you could find between until I thought I would die. About two Mecca and Constantinople. He then be years ago we heard of Dr. Williams' gan to make it known to the faithful that Pink Pills and got a box, but as they he was willing to make a martyr of his did not seem to do me much good, self and become an evangelist if a suff tidn't take any more at the time, but as cient number of shekels could be raise got, worse and the doctor could do noto warrant him in undertaking the jo thing for me, I determined to try the A meeting of influential Mahommedans Pink Pills once more, this time I made was held at Rangoon in British Burmah up my mind that I would give them a and some money was raised, and severe fair trial. I got eight boxes and before meetings were held in different parts o the third box was done I felt better and the Indian empire, in the furtherance my appetite was better. I kept on taking of Mr. Webb's mission, and in due the pills until I had taken the eight boxes, and all the time kept growing strong-York and laid his plans before the New er and stronger. My color returned, my York press. One slight obstacle in the heart trouble left me and my appetite way of advancement was the question of was better than it had ever been before. Now I can do any work about the house, Webb got over that by bringing no wife and feel strong and well all the time. It at all, for he gave his followers to under is a great change since last July, when I stand that what they might do with percould scarcely walk across the floor feet propriety in Ceylan, Allahabad or without falling. I believe Dr. Williams Rangoon, would land them in the peni Pink Pills saved me from going to the grave, and I am very thankful I took

There was no doubting the honesty of her conviction that Pink Pills saved her life. A younger sister corroborated what was said, remarking, "when Amelia was so bad last spring she was so pale she was almost green, and mother did not think she would live a month,

In evidence of the dangerously ill con dition of Miss Ranger a couple of neighbors were seen. Mrs. Tromblay said the girl was very ill, and her friends did not expect her to recover, and she had been cured by the use of Pink Pills
