LETTERS TO THE EDITOR.

Those Thousand Islands. Privature, Dec. 22 - (To the Editor) It tires me to hear the kicking that has been done, by the "News" and other papers during last summer and at the present time and the persons writing those articles show plainly that they are not acquainted with the subject. One paper says if the government sells the islands that speculators will purchase them and bolding them for an advance in price will never improve them with cottages, etc., while another makes the wail that if sold the architecture or color-

Arms Makers in Belgium. LIEGE, Belgium, Dec. 23.-The action of the American firm of Smith & Wesson, fire arms manufacturers, against the Belgian firm of Deichef, opened yesterday in the correctional tribunal here. The plainfeited their weapons, stamping the name of the firm "Smith & Wessen" on inferior offered for sale and no man would a 80 francs. Furthermore, the Liege product bears the stamp of Belgian. Mr. There are two sides to every question. Racklot, agent for Smith & Wesson, was

The Triple Alliance, London, Dec. 23.-A despatch from Rome to the Times says: There seems to be no disposition in high circles here to construe Prime Minister Crispi's declaration at the opening of the Italian Parliament as adverse to the triple alliance. It was a back to office. Italy's good faith has never been doubted here, nor her firm re- which have passed, show a considerable Prime Minister omitted to refer to the triple alliance is considered to be of no consequence. It is too early, the despatch Canada's exports reached \$67,793,056 as adds, to discuss the prospect of a renewal of the triple alliance. It is probable that statesmen would not be justified at present in giving a definite opinion on the
