After b dinner he has his map, but as the clock strikes 4 be is off like a shot for a mile's ! run to meet his master's train. His greeting when I arrive is always a warm one and we then tramp home together. 'One day not long since poor Larry had :

mean trick played him, the author which he surely does not suspect. The hall clock was put shead an hour. At the stroke of 4 be departed on his errand usual. For a whole long hour be waited in suspense on the platform, and I shudde to think of all the terrible railway acci dents that took shape in his little brain until at last, the train steamed into station. My reception when I did arrive was so overwhelming that I feared poor Larry was going mad, and he could not be which rurely happens, I am told he returns bome very sad and serrowful. Larry does trance best to Whig Office. Telephone 526,

An Amusing Evening Game. "The Hat" is a game which may played for stukes or not, as decided. The carers are divided, as for champs, into two around a hat placed on the floor in the center of them. Two differently entored packs of cards are then given, one to each party, and by them equally dealt cet to player. The aim is then for each The cards have a way of fiving over it, or around it, to a provoking way, even when ! The thrown by good players. The floor is seen ! littered with failures. The game is played till both packs are exhausted, thun those courts that have reached the hat are consulted and the side that has passed of the own color in wins the stakes, or at least is victor. This is a very amusing game for the evening.
