Some people affect to believe that it is a matter of small importance whether William Harty represents Kingston as a member of the legislature merely or as member of the legislature and a member of the government But cabinet influence is generally very much esteemed. It is rarely that a legislator who has been given the oversight of a government department is even opposed when he goes back to the people for endorsation. damilton, indeed, represents an experience great interest to the people of Kingston at the present time. As plain Mr. Gibson, though as fine a man as the city has and as painstaking and industriousas a parliamentarian, he was defeated in the general election | novel, "The History of David Grieve." It I Of course his fall was not a result of decreased popularity, but of an undue application of money of which the courts disapproved when it unseated Thomas Stinson. Between the general and the bye-elections Mr. It administrated from alum powder by the | Gibson became the provincial secretary and going back to the people was elected by an
