your grandfather in England." "Ab, indeed," said Mr. George William Northedge, and after a few more words he directed his attorney to take the proper steps and then proceeded to his work of shingling Mrs. Ball's barn. But the reporter was after him even before he had nailed the last shingle on that barn, and it soon appeared that every word of the statement was true. Mr. Northedge is indeed a millionaire, and what is more surprising has had the right to be one since the death of his father, and that father had the right some years before that. For twenty four years this fortune has been hunting the
