JAMES REID,

as Some Thought. were prone and gibbering about those wh declaring the future destiny of several per sons. The paper in concluding its article

"At the close of the meeting Rev. Mr Weeks, with the burly form of Constable Goraline following at his beels, stepped for opinion on the matter. The change would ward and intimated to Mr. Freeman that he be a great convenience. He said steps had come to take Mose, the reputed pro- could be taken to prevent the passage being SMALL SUM OF MONEY ON MIDDLE photoss, back to the home at Brockville, used as a public thoroughfare. This Item Ihan was witnessed the greatest excitement of the evening. Six or seven lay prostrated among the chairs, and whether they mistook the voice of Rev. Mr. Weeks for the last I I trump I am not prepared to say, but at any rate they arose in the twinkling of an eye and with no change except a spared look on their upon a seat he prayed for the power to come down on Bro. Weeks, and at the same I time requested Ross to pray for an hour, prostration theory and showed plainty that roused up at any time in two or three

DEPEN'S SOUND ADVICE.

No The Only Rule of Success-There Must be a Willingness to Work. While the assizes are in accrion we will publish each day the opinions of legal gentlemen upon how to succeed as a lawyer.

To-day the opinion is from Chauncey Denew. A very eminent lawyer in the country, with whom I had a great many cases when was a young lawyer, said to me one day, pointing to a farmer's son who was making fires, sweeping out the office, serving papers, and copying for the privilege of the instruc tien which he received: "That young man EAST, No. 407 "Valitere Terrace." Im- | dismiss all nonsense from his head, of Cutate, containing seventy five acres, a | man rise, to a position in the firm over the | 120 gallons of whiskey. The case cost him
