Notes From Parliament. Four important announcements were made the commons on Monday. The first that it was not proposed to increase the rate of interest on deposits in the post office savings banks; the second, that there is to be no revision of the voters' lists this year; the third, that parliament will be asked to vote an appropriation for the erection of a statue on premier, and the fourth, that, if it can be shown that the tariff is enabling the cotton men to unduly oppress the consumer in the matter of prices on cottons, a reduction of the duty on this article may be expected.

frauds, and their experience will be both disappointing and expensive. Not so with MELISSA, for the proofing is done on an entirely different basis and cannot be successfully counterfeited or imitated. The process instead of destroying the fabric, preserves and strengthens it, so that its rainproof qualities are maintained intact to the very end. It is practically impossible for a

Melissa Garment to be unevenly proofed, and the above trade mark is an absolute guarantee, not only that the proofing is uniform, but that the material is of excellent quality and thoroughly reliable in every respect.

All classes of Melissa Cloth, in the piece, will be sold to retail dealers through the Wholesale Dry Goods, Millinery, and Woollen Houses only, and a large variety of beautiful patterns of
