AMERICAN MONEY WILL BE TAKEN AT PAR

What the Morchants Have to Say About the birquest of the Board of Trade. The Yankee Cash is Good Enough for Them -Trade Would be Damaged if the Coin-Was Citpped

The motion passed at the board of trade meeting on Incoday evening, requesting the merchants to take American money at a discount of five per cent, is not a popular one. The merchants, with very few exceptions sobject to carry out the request of the board, and intimate that if the resolution was en-I forced trade would be driven away from the f city in the summer season to Cape Vincent, Clayton, Ganancque and Watertown, N.Y. American tourists would not come to the foity if they knew their money was to be discounted. Below we submit a few interviews, of leading business men ;

J. S. Hardy -"I am of opinion the mer-, chants generally will not agree with the board, nor will the farmers. The trouble is I that there is not enough money of any kind f in circulation and instead of striving to stop circulation it would be more to the point if means were devised that would increase it As one merchant I shall continue to take American money at par, holding our both hands for it."

J. Tierney. "I think it would be a bad will arrive to day to take chargeof the prop. | we can get, and we should not adopt mealaures that would curtail our revenues. Is | not an American dollar as good as a Canadian dollar ! Is not the American nation as I wealthy as Canada, and why should we not | take the money at par? I will take it at par and will be glad to get it. When the (American money was discounted before we I had much trouble handling it."

J. Halligan-"It might be well for the merchants of inland towns and villages to i discount American money, but it would not the wise for the merchants of Kingston to do it. They would lose business if it were done. I am not in favor of it."

Z. Prevost-"It would be a great mistake to discount American money . The difference in the cost of clothes purchased in the Uni f ted States and Canada is not great enough to make a Kingston clothler independent, and if American customers wanted clothes I ted States. Trade would be lost in this way." J. McKelvey "I do not see any reason

dian money is discounted. American money season for Belleville, on Saturday meraing banks, but I think it would not be in the interest of merchants to discount it Mrs. John.
