TWO CENTS.

IN THE CITY CHURCHES,

Here From Africa.

Rev. W. T. Currie, B.A., a missionary of the Congregational foreign missionary soclety, recently returned from West Central Africa, gave an extremely interesting and graphic address, last night, in the First Congregational church on his work in that Every policeman added means one \$10,000 | dark continent. Graduating from the college in Montreal in 1885, with henors, he spent a year in special training for his work, and six years ago set out, with his young ford, for his future sphere of service. Sail Mr. Finley, student at Queen's, afflicted | Ing first for Liverpool, then for Lisbon, and thence for Benguella, on the western coast You are not in it unless you have one of of Africa, they travelled into the interior those new ties only to be had at the Red | about three hundred miles to Bailundu, which they had only reached A.
