WEDDING DRESSES

Styles Introduced at the Easter Weddings That Will Survive. Dresses worn at the weddings occurring Caster week in New York were for the moire. For garuiture, the modistes emsloyed with lavish hand lanes, net and

bons. The train was richly trimmed at per bottle; wooden spoons, the edge with lace and bows.

For church weddings, the high round Eddy's celebrated matches corsage is much affected. Some of these per box; white castile and puffed from the shoulder to the elbew are popular. Sometimes the sleeves are transparent, being made of lace without lining. thus showing the arm. Laces employed

The New Silks. There appears no reason to doubt that the dress skirts, though fuller than of late. will be plain and therefore calculated to display to perfection the new silks which are so beautiful. In Paris, however, enbelow the waist. Satins are much worn for evening, and quite the most attractive are the shot satins in lovely colorings, such as pearl and pink, mousse and white, etc. Most of the brocades are thrown on satir grounds, and the patterns are generally large. Quite the newest fabric is the shot moire, giving an opalesque effect. Young girls will wear narrow stripes on silk and satin, and some of these are scattered over

with tiny dots on the groundwork. Novelties in Shoes and Stockings. In dancing shoes the latest novelty is the "Nautch Girl." It is made of satin is pretty colors-pale green, pink, sky blue, cardinal, golden brown and other shadesand has an instep strap trimmed with gold | the result of our buyers SPOT sequins and little bells that fingle pleas- | CASH purchases in Montreal antly. . It is the very thing for skirt dancing on the stage, and is not likely to be worn elsewhere. There is nothing particularly new in ordinary dress shoes. The ressiest are of satio, with open work fronts, daintily embroidered.
