## ON FIRE WITH ECZEMA

Terrible Sufferings of Little Baby. Seven Doctors and Two Hospitals Fall. Caused by Cuticura.

My baby boy, 5 months old, broke out with eczema. The ointments and salves which the doctors prescribed to him, breast, face, and head, etc., were mostly covered; his suffering was great, and he was constantly crying. He had to sleep in a dark room, and but little rest night or day. He was under constant medical treatment at two hospitals in New York, and the cost of his care and treatment was about \$100 per week for medicines, and \$100 per week for doctor's fees. His mother could not afford to pay such a sum, so she purchased Cuticura, and the results were wonderful. Her baby is now well, and her sufferings were ceased, and rest and sleep permitted. He steadily improved and in nine weeks time was entirely well. The Cuticura ointment is a fair boy to any other method to which we can turn. I recommend every mother to use it for every baby illness.

All the Anti-Convention indications at Chicago point to the Third Nomination for President of the Party former by the Democrats—New York Leaders Voted.

CHICAGO, June 22.—The Democratic National Convention, on its opening day has not the interest of the convention had two days at Minneapolis. The opponents of Mr. Hill have kept a sharp watch on the third session of the convention. They claimed, even an hour before the nomination was made, that they had hopes of success. The men who have been fighting Cleveland most bitterly have given up. They have even stopped the shouting of their followers in the corridors of the hotel, and the convention opened as tamely as the Cleveland ratification meeting at St. Louis four years ago. Tammany men did not turn up, and the Tammany delegation insisted on turning Hill down. Tammany also insisted on turning Tammany down as a candidate. Gilroy said that the attitude of Tammany was that of the most radical. Tammany was for the Democratic nomination, and Mr. Hill's chances having failed it should be on the side of the opposition.

Mr. Murphy argued that the February convention had specifically instructed delegations to vote for Mr. Hill, and that their votes would be cast for him.
