THE REDISTRIBUTION BILL PASSES THE HOUSE

Ministração y Maio Various Amendments Were Proposed But All Ware Voted Down. The Criminel Code Amendment Act Also Passes-Business of the Commons Practically

Orrawa, June 23 .- The fact that at the morning and afterwoon session of the House the Redistribution Bill and the Criminal Code both passed through their final stages her the same. For four | in summittee, and were read a third time weeks after his birth he | and passed, is the best possible evidence. suffered with eruption, I that a good day's work has been done, and it may now be considered that prorogation Hitle sleep for any one. | next week is placed beyond persoventure. Sir aJohn Thompson moved that the Redistribution Bill, after its passage, February 1st, and you go into effect upon the dissolution of the On the second reading Sir Richard Cartwright moved his motion, which he had given notice of and which was to unite the two tirenvilles, Frontenec and Lopeux, which would provide for the two additional members given to Ontario and that the

other constituencies in the province by un-Hiram Calvin, the new member for Frontenge and successor to the Hon. G. A. Kirkpatrick, protested against the amalgamation of the four counties. He accused Sir Richard of desiring to benefit his many

business interests by uniting them.

The amendment of Sir Richard Cartrright was lost by 51 to 90.

After luncheon Mr. Bechard moved an smendment to the effect that the two parishes taken from Missiaquoi and placed in St. Johns and Iberville be replaced in Missisquol. Lost by a vote of 54 to 89 against. Messes Pope, Pellatier and Le-

pine voted with the minority. Mr. Pelletser then moved an amendment to the effect that the Indian village of Caughnawaga be replaced in the county of Napierville and Laprairie, which was lost on division, and at a o'clock Mr. Speaker ad the pleasure of announcing that the Redistribution Bill was passed.

The Criminal Code. The clauses of the Criminal Code which

had been reserved from time to time were then taken up. Section 125 relating to the publication of faise news was amended so as to read as follows: "Every one is guilty of an indictable offence, and liable to one year's imprisonment, who wilfully and knowingly publishes any false news or tale whereby injury or mischief is or in likely to be oc-

Section 130 was amended to include members of Parliament, and of the Provincial Legislatures, and now reads as follows: "Every one is guilty of an indictable offence and liable to 14 years imprisonmeat, who, hobling any judicial office or being a member of Parliament or of a Legislature, corruptly accepts or obtains or agrees to accept or attempts to obtain for binnelf or any other person any money or valuable consideration, office, place or emplayment on account of anything already done or to be afterwards done or omitted by him in his judicial capacity or in his capacity as such member of Parliament or person any such bribe as aforesaid on ac-

Clause 205, relating to letteries, was Jones had been drinking during the day amended so as to change the penalty for solling lottery tickets from 10 to 2 years' imprisonment or \$2000 fine, and provision was made that any one buying a Ha soon returned with a revolver which he ticket shall be liable to a fine of \$20. A had taken from his bedroom and, without new sub-clause was added exempting from further dispute, aimed it at Wessen and the operation of the clause any company or fired. association incorporated or authorized by The Lullet entered Wesson's brain, killthe Parliament of Canada or any local

COMMERCIAL PROGRESS

All the Colonies | Represented Lard Enutsford Welcomes the Delegates-What the Program Sets Forth,

LONDON, June 29. - The second Congress of the Chamber of Commerce of the British Empire opened at 10 c'clock in Merthout Tailore Hall, one of the zinbest corporutions in Throaduerdle-street. Sir John. fashinck, president of the London Cham-ber of Commerce, presided and, assisted by the committee, welcomed the delegates sent frhm every portion of the British Empire. The Right Hon. Sir Michael Hicks-Beach, President of the Board of Trade, is vicepressions of the Congress.

Lord Beassey offere I a resolution, which was edopted, seclaring that in the opinion of this congress it is expedient that a practical arrangement should, if possible, be devised to secure closer commercial union between the Mother Country and her colonies and dependencies. Sir John Lubbook, in behalf of the Lon

don Chamber of Commerce, offered a resolution favoring a free trade union of Grea Britain and her colonies, Sir Charles Tupper moved as an amend ment the resolution of the Montreal Chamber of Commerce, which was adopted by the Canadian delegates as a whole, in favor u

slight differential duties. Sir Charles' speech carried away the congress, all the Canadians being most enthus astic in its support.
Sir Donald Suith accorded the amend-

Mr. Wood of Hamilton made a speech i favor of free trade between Canada an Great Britain. Many of the British delegates applaude Sir Charles Tupper's proposal, while others

declared the increase in the price of food would be a fatal objection. At the afternoon sension J. X. Perraul of Montreal and P. H. Burton of Toronto strongly supported a preferential tariff.
Sir John Lubbock's motion was adopted.

The Frogram, The program of the Cougress includes: Discussion of the commercial relations of the Mother Country with her colonies and possessions, with special regard to the renewal European treaties and recent commercial legislaion in the United States:

Board of conglitation for labor disputes; The codification of the commorcisi law of Imperial regulation of trale-marks and adoption throughout the Empire of the merchandise mark not;
Bills of lading reform, factory legisl
throughout the Empire; Commercial education, including scheme initi ated by the London Chamber of Commerce;

Emigration and colonization; The necessity of an imperial system of decima Currency;
Weights and measures;
The International Monetary Union;
A system of Imperial penny postage; Direct belegraphic communication througho

LOSDON, June 29 .- Thomas Neill was again brought up in Bow-street Police Court yerterday and was aguin remanded. Neill about a year ago, and, struck by his peculiarities, studied him closely. Neill talked to him about the possening of the Marsh and Shrivell girls. Neill showed Haynes a notebook in which

tials of the women who had been poissned, together with the dates of their deaths. There were initials which he said referred girls Marsh and Shrivell, and there were also the jutials "L. H.," which Haynes said referred to a girl named Louisa Harvey. Neill said that the Harvey girl had fallen dead on the street, between the Royal Music Hall and the Loudon Pavilion, and that she was aupposed to have died from natural causes, but was actually poisoned by the person whom the police mistook him

Violet Beverley was a former companion of Matilda Clover, and after the police became suspicious of Neill she played a hold part at their request. She continued to receive visits from Neill, but kept a close watch upon him to prevent him from poisoning her. It is expected that a charge of murder

will shortly be made against Neill.

DR. CREAM Further Concerning the Career of the . . Abortionist-Pulsoner, MoSYREAL, June 29 .- As the career of Thomas Neil, or Dr. Thomas Neil Cream, is becoming fully known, the more atrocious does it appear. It seems he started in his going to London to finish his education. by the lightning. Late that night the most heartrending. Some idea of the screams were heard from the bedroom of cure an abortion. They looked for Cream, | were partly melted by electricity. but found he had gone. The father took the next train for Montreal, secured two policemen and captured Cream. Rural Bean Lindsay was induced to come to the village and in the hotel parlor the marriage took place. Cream stayed several days, professing much solicitude for his wife's condition. Then early one morning he was missing. He left a note saying he had gone to take a course of lectures at St. Thomas' Hospital." He sailed before he could be caught. THE IMPERIAL PARLIAMENT DIS-SOLVED YESTERDAY.

The New Parliament to Meet on August 4.-Stanley Introduces Bla Wife as a Descendent of Oliver Cremwell-More Outrageous Cartoons. LONDON, June 28.-The Royal Gasette

eaterday publishes the Queen's proclamatio dissolving Parliament and summoning the new Pathament to meet on Thursday, Aug. 4. The write are being issued accordingly The Queen's speech proroguing Parliament says: The time has arrived when it in expedient that the elegantal body of the country be consulted by the assemblage of a new Parliament. I have therefore summoned you for prorogation at an earlier period than usual. "I am glad to record that my friendly relations with foreign powers remain un-

"Treaties have been duly ratified referring the differences with the United States THAT THEY with respect to the Behring Sea to arbi-Referring to the bills passed at the session Lawless gives the present membership of

just ended, the speech says that the arrangements that Parliament has made enabling workingmen to purchase agricultural holdings will increase the class of cultivating owners, which is of great importance to the state. The application to Ireland of the educational measures recently adopted in Great

Britain will confer great benefits upon the THAT THEIR people of that country. The speech concludes: "In closing this Parliament, which has been unusually laborious, and also highly fruitful in beneficent legislation, I thank you for the THAT THEY assiduous performance of your momentous duties during the past six years, and heartily commend you to the favor of Almighty God, P

A TORONTO SENSATION.

she Lost Her Husband's Heart, Which Was Captured by Another Woman. Loxnox, June 29 .- The Divorce Court restorday granted, on the wife's petition, a diverce to Mrs. Strange from Dr. F. W. Strange, who formerly practised in London, out who now resides in Toronto. According to Mrs. Strange's statement

she was married in 1868, and six months after her marriage she accompanied her husband to Toronto. They lived happily together until they met Mr. and Mrs. Mathieson, who became patients of Dr. Strange. Mathieson died, and afterwards Dr. Strange left his wife and lived with Mrs. Mathieson. He told his wife that Mrs. Mathieson had what she had lost-his

Dr. Strange made no defence.

STANLEY'S LATEST BREAK

He Introduces his Wife at a Meeting as a Descendant of Otiver Cromwell. LONDON, June 29. - Mr. Henry M. Stanley, who is the Unionist candidate for the House of Commons in the northern division of Lambeth, attended a meeting in that division Tuesday and addressed the electors from a cart. Mr. Stanley was accompanied

by his wife, Referring to the eight-hour movement be said that if he had only worked eight hours a day he would never have been ahead of the Germans in Africa, and would never have added 200,000 square miles of land to British territory. Mr. Stanley was about to descend from the cart after finishing his speech when he stopped and said: "I had forgotten my

duty. Gentlemen, let me introduce my dearly beloved wife, late Mise Dorothy Tennant. She is the descendant of the greatest Liberal the country ever knew-Oliver Cromwell." This introduction brought forth cheers from the audience. su cide of the Counters Linsingen.
