## REFER TO ME

"I have been deeply interested in the investigation of your method of treatment, particularly in your 'Treatment for Men Only.' I am convinced that your treatment is the best known to the medical profession. I shall recommend it in my practice, and you can refer to me at any time, should you deem it proper."

The writer of above is a practicing physician and unknown to us. We have scores of similar letters on file. It refers to our wonderful system of treatment by which we
