THE BY-LAW WAS PASSED

THE ATHLETIC GROUNDS WILL NOW BE MORTGAGED

The Association Will Pay Off the Debt, if it Car, in Eleven Annual Instalments, While Interest Will go on at Six Per Cent.- The Chat of the Stockholders.

A meeting of the shareholders of the Freezers, Screen Doors, 3 sixes, Kingston athletic association was held last Mowers, Etc., all very cheap Carruthers, R. J. McKelvey, E. McRas, | Sault canal. W. H. Rogers, W. J. Wilson, W. Fale, R. Meck, A. Eilis, A. C. Johnston, W. Nickle, BIBBY'S CHEAP HARDWARE HOUSE F. Boney, W. GRI, A. T. Smith and E. C.

The chairman said the principal business of the meeting was to pass a by-law author. A hall was a necessity and would have to be izing the association to mortgage their pro- put up. The committee having the matter porty for \$5,000, to be paid in ten annual instalments at \$500 each. Mr. Meek asked if the association had

Mr. Skinner said the most of the stock money was being used in improving the property, and the balance would be used in paying the first instalment on the mort-Mr. Meek said the meeting should be Mr. Wilson says snakes are plentiful in the made aware of the financial condition of the vicinity of the island.

Mr. Skinner said a full statement had been anbmitted at the last meeting of the associa-

Mr. Meck said he did not understand the association had to raise a \$5,000 mortgage. Mr. Whiting said the financial statement showed there was only a surplus of \$400. Mr. Wilson asked what the Interest on the mortgage would be. Mr. Skinner sxld it would be six per cent.

Mr. McKelvey said money could not be Miss L'szie Hammond is visiting friends in raised at five per cent. on the security the association could give. Mr. Skinner said he had not heard of any company willing to lond the association money at less than six per cent. Mr. Whiting said they had agreed to \$250 to the sellers of the land as an instalment for the first year. If they passed the

by law calling for \$500 annually the association might have to pay that amount. Mr. Fair asked what would be the effect of passing the by-law before they had a proper tioancial statement submitted Mr. Skinner said the by-law would have to be passed if they wished to scoure the

Mr Chadwick said it would be safe to let the directors look after the matter. He argued there should be a clause in the by-law which would allow the association to pay off the full indebtedness on the land when it destred. Mr. Whiting said the law would permit the association to pay off the debt at the end

Mr. Hull said the syndicate owning the land would be wilting to receive all the money due on the land, provided the association gave them a month's notice of its in The by aw was amended to read that the asociation would pay \$250 as the first in

stalment, pine instalments of \$500 annually is visiting her parents in the city for a few | and \$250 as the eleventh lustalment, the association to have the privilege of paying off There was not a quorum of the finance | the entire debt at any time after giving three month's notice. Mr. Meek sald he thought money could Le raised at less than six per cent. The Toronto syndicate did not own the, earth.

Mr. Whiting-"They own the athletic

grounds unfortunately." Mr. Skinner-"I don't think so." Mr. Whiting said he did not think they could raise money on the grounds at less The by-law was passed as amended. Mr. Chadwick, who, with Mr. Fair, was appointed to audit the books of the secre-

tary-treasurer, stated that on account of shortness of time the auditors could not ! make a report. It was moved and carried that the auditors be requested to make a general audit of all the business of the association up to the last meeting of the stockholders and report four weeks from last night. The auditors and Mr. Hill will get the

books in proper shaps and the latter wil withdraw his resignation.

LETTERS TO THE EDITOR.

Solid For Temperance. MELGUND, Man., July 28 - (Dear of WHIG): You have many friends and readers in Manitoba and as many more at home interested in their welfare, so items from officers the band of "A" battery, R.C.A., this great western wheat garden may be of | will play this evening (weather permitting) occasional showers have added greatly to ing programme : the growth of wheat and straw, also in the | Marines. filling of the head. Men say who have Overture-Nabuco travelled the country surrounding this dis-

lack by far in competing with those in Melgund district. Some are expecting ripe wheat in two weeks. The general elections of last week passed with little excitement, which can be accounted for from the presseworthy manuer in which the Greenway government conducted itself during the past quadrennial, The plebiscite given the people by the past government as well as present, concerning prohibition, was anaitted like not cakes, and the popular cry was "Hurrab for prohibition!" The election was parried by a majority of two-thirds, so that the senti-

At a meeting of the Methodist officials this appointment some time ago, they concluded they needed a church, and at once npwards of \$700 was subscribed, some of which was paid down. A few days afterwards over \$2,300 had been raised, and a few days later stones were already brought to the ground for a foundation. They surely believe in doing that which is right | Princess street. A young man, named
