THE CHOLERA MARCH

HOW THE PRESENT EPIDEMIC HAS SPREAD FROM INDIA. Everything favored the spread in India. The first outbreak of cholera in the West was in 1817.

Dr. Gregg, the royal sanitary commissioner for Bengal, in a report on the condition prevailing in the neighborhood of Benares, stated that everything favored the spread of the disease.

In view of the recent developments regarding cholera in India, it is not surprising that the disease has been reported in various parts of the world.

McClendon came from the village of Cunningham about seven and a half years ago. He was one of the most successful business men in the village.

Toronto, Aug. 27.—It turns out that Charles and his wife reported that two men had walked and beat him on Thursday night, did not tell the truth.
