FRANK J. HOAG, Chemist and Dispenser, 100 Adelaide Street West.

ANNOUNCEMENT.

THE DAILY WHIG has published every morning a published every morning at 10 o'clock in the morning. It is published every morning at 10 o'clock in the morning.

BROADBENT'S LETTER.

SCOLDING BOYS ARE BACK TO THEIR WORK AGAIN. Governor Flower has earned the gratitude of his fellow citizens—those who stand aghast at the details given in his letter to the Hon. the Secretary of the Board of Education.

THE DAILY WHIG.

"Opinion is the life of the people." TO INTERDIOT CHOLERA. In the face of prescient measures for the prevention of cholera, early in August, made the following recommendations, among others, to the English people.

1. Save and surface-dresses, parasols, cloaks and shawls, and all articles of dress, and all articles of dress, and all articles of dress, and all articles of dress, and all articles of dress.

Another authority says that through fear of the plague people often drop drinking water and take to drinking ardent spirits, wine and beer, which is the worst thing they could possibly do.

UNFURNISHED ATTACK. A good many people will agree with Rev. J. C. North, pastor of the German Lutheran Church, Ottawa, that the editor of the Canadian Freeman acted in an "ill-tempered and ill-bred" manner when he spoke of the Reverend gentleman in these terms:

It is to be regretted that ignorant passions taken in by a pulpiter, and as ignorance is the pride to pray, and as ignorance is the pride to pray, and as ignorance is the pride to pray, and as ignorance is the pride to pray, and as ignorance is the pride to pray.

THE DAILY WHIG is published every morning at 10 o'clock in the morning. It is published every morning at 10 o'clock in the morning. It is published every morning at 10 o'clock in the morning.

STILL ANOTHER ECHO.

FROM BROCKVILLE AS TO THE REMARKABLE CURATIVE POWERS OF SALVATOR MAGNUS. Mrs. W. V. Brockwell Related From a Bed of Suffering After Medical Treatment and Various Remedies Had Failed—the All-Bringing New Cure—Astonishing Case of the York Gazette.

This is an age of wonderful development in the world of medicine, and in the science of the human mind. The discovery of the cure for cholera is a case in point.

Another instance of remarkable cure through the agency of this medicine has been related to the knowledge of the Times a representative of the paper proceeded to make inquiry regarding the case.

Such is the testimony of a lady of our own town regarding what she has done for her children. The large majority of the food now offered for sale is totally unfit for infantile nutrition.

On the Wrong Side. Uncle John—No, I am your uncle on your right side. Daily reminded—Well, if you know mamma as well as I, I guess you're on papa's side.

The Age of Deception is Fast Passing Away. The age of deception and humbug is fast coming to an end. The men and women who, for years past, have been so successful in their deception, are now being outwitted.

A Loss to Prince Edward. Peter C. Dempsey died at his residence, Albany, Prince Edward county, after an illness extending over several weeks. He was about sixty-five years of age.

What Stronger Proof is needed of the worth of Hood's Sarsaparilla than the hundreds of letters continually coming in telling of its success in curing all kinds of blood diseases?

HOOD'S PILLS cure Constipation by restoring the peristaltic action of the alimentary canal. They are the best family cathartic.
