

GROCERIES AND PROVISIONS. Unlike the Dutch Process No Alkalies Other Chemicals are used in the preparation of W. Baker & Co.'s Breakfast Cocoa, which is absolutely pure and soluble.

It has more than three times the strength of Cocoa mixed with starch, Arrowroot or Sugar, and is far more economical, costing less than one cent per cup. It is delicious, nourishing, and easily digested.

The New York Independent says: "The world needs England, chiefly because it is the greatest civilizing and colonizing power in the world. Only England could have rescued Egypt from tyranny and misrule, to her credit and honor."

ANNOUNCEMENT. The Daily British Whig is published every Saturday at 10 King Street, Kingston. A Big Turnout on the Streets During the Fight.

As Deacon Haines kissed his wife last Wednesday before he opened the front door to go to his office down town, he said, "I shall be home very early to-night. I shall be home very early to-night. I shall be home very early to-night."

A CHANGE NEEDED. Agitation has been renewed against the centralization of law business in Toronto. It is well known that the public are paying heavily to keep a lot of practitioners in Toronto, and by judicial work the legislature can be compelled to make change.

MR. TARTER AGAIN. Israel Tarter is again on the war path. This time he is in the pursuit of the minister of justice, whose report on the Manitoba school question he recalls and whose promise of remedial legislation he demands.

EDITORIAL COMMENTS. The Detroit storage battery store case appears to be working all right. But the experiment has not been worked long enough to warrant the conclusion that the system has been patented or is better than the trolley.

Mr. Tarter has dropped the remark that perhaps some sort of combination religious service can be adopted for use in the Manitoba schools so that an appeal from the privy council is not required.
