MUST NOW CEASE.

of the Hideoux Inquest by the Uncanny of the Jows-Death of the Great Band-

NEW YORK, Sept. 30 .- While the health in the best possible sanitary condition, vividly bring back Eugene Sue's]"Mysteries of Paris" and other like grassome stories. Last week the order went forth to stop orting the dumps-a very brief announce one hundred and twenty thousand deliars a

The dumps are the places where the refuse of the city, gathered in carts, is transferred to barges, in which it is carried out o ses and there emptied on the outgoing ide. One may judge of the waste of a great city when he reflects that every ash barrel is gone through a half-dozen times by hundreds of lynx eyed Italians, who, with hook and bug, get their living from this kind] of refuse. It is but a few years sicce the city was startled by the offer of an Italian bank er, of ten thousand dollars a year for the discharged from the carts. It was not long before there came mystericus stories of fabu thirty thousand; then forty thousand, and the next year fifty thousand; and still the Italian showed no sign of abandoning his The Empire, a few days ago, gave sta- offer for the privilege, and they finally tiscies regarding the cetablishment at several settled on seventeen hundred and fifty dolplaces in the United States of industries lars a week, granting him a lease for five years. In his operations the banker employed three hundred men and women,

lived beside the dump in rude cabins was gathered from the refuse garbage, and was their bads were the foul rage gathered from iron, and multitudes of minor articles col apparent robust health, in defiance of all physical and sanitary law. Much has been Jew that ever fled from the empire of the every industry is not as easily moved as a those Italians of the dumps. Last week sulp mill. Meanwhile British capital goes | they were driven out of their wretched to Yankee-land and some people innocently hovels under the wharves, foul with the offel of the river. When night came they ed foods c, awled back with their wives and children under the cover of darkness, and there, surrounded by myriads of huge wharf rate, who fought with them for the occupancy of the

ing home. The next morning the police made a second raid, but the Italians fought for their huts, and it was not till several skulls were cracked that they were finally dispossessed and driven out. It is hard to and mixery could exist in any civilized community, and it is a reproach to our boasted civilization that it should exist one The trial of the gambler Burton C. Webster for the murder of a broker named Goodwin some months ago, in a fashionable

had just finished a letter to a woman in Tacoma, who had gone west to procure a divorce from her husband, from whose home ler was living with a woman supposed to b his wife, and who was said to have met Goodwin at a fashionable watering place in Connecticut, and who, after a brief connection, had abandoued her for the bank presi Jent's wife to whom he was writing at the time of his death. It is said the woman swore revenge, and seeking apartments in tection. I might have tempor's id with it the same house told her husband that Good and retained power without difficulty, but | win had insulted her. . Gambler like, Webdetermined to fight it as an nomixed po- ster had the ever-ready pistol; he called litical cvil, even if I should be beaten. Goodwin out in the hall, and there assarei nated him. But the ways of the courts are

came down on a run, and it became a soessary to club the mot right and left in order to save the lives of those who were inshie the building. At last, by the united efforts of the firemes and police, the entire com-pany was released, when it was found that our were killed outright and fifty or more. wounded-some of them so seriously that their injuries may finally prove fatal. It is Camp Meeting Abuses-Doubts as a sad celebration for the Hebrow new year and has cast gloom over the entire Jewish

The death of the great band leader, Patrick Sarefield Gilmore, removes one of the most popular musicians of the present generation. He reached the heart of the people se it was reached in this country at least by no other leader, and he was to the people of the United States what Johann Straues is to the people of Visuas. A lover of the finest we can't all be Wagners or Seidls or Damresches, or even Theodore Thomeses. He anew the virtue of the sweat strains that linger in the "Last Rose of Summer" and "Home, Sweet Home," and he never thought he imperilled his musical reputation by treating his audience, if the occasion was

right, with "Marching Through Georgia," or Johany Comes Marching Home." Others way return with the musicians with whom years, but we shall look in vain for another eader who will reach the popular heart like With the waning days of September Bro. Talmage returns to us, ruddy as a gyp-y, sermons reach a labge and rich in experiences with our English

of years later the city made another raise to Taur does in St. Petersburg or Moscow or his name in print. Everybody likes brother Taimage; he has 'I hab trabelled considerable dissummer would kill him with kinduess. On Sunday mons durin' de winter. De mos' interestin' his tabernacle was packed. If it had been places I struck on my vicashun wuz Ocean twice as large it would hardly have held the Grove an' Asbury Pahk, with are situated

Travel has improved him; he has gained flesh, and has the comfortable, well-to-de look of one who had made his calling and slection sure. Brooklyn gave him a royal welcome, and when he has gathered in all the stray sheep of the city of churches, it across the 'es for our workingmen, but the dumps was the uncanny crowd of ghouls of staners on this side of the river ready for his sickle, and I hope he won't forget us Phenomenal beyond all precedent has been the apathy of both parties in the present campaign. In the Blaine and Cleveland campaign, eight years ago, the canvass was booming early in August, and in September the land was all aflame. The same enndition existed four years ago, when Hard rison and Cleveland were running. Every available speaker was in commission. Mass meetings all over the country was the order of the day. It has been very quiet so far, and we walt the October Ides. -- BROAD-

ENORMOUS DEMAND.

It is Now the Favorite Food. The demand, up to the present time, for that justly popular Luctated Food is enormous. Thousands of mothers in Canada have commerced its use this year for their babies, and have cast aside all other prepar-
