APPEAL OF MENDICANTS

THE M'CARTHY LETTER JUDGED AD-VERSLY BY ENGLISHMEN. Mr. Moriey Wishes to Appoint as Under Secretary in Ireland Mr. George Fyt-

Gladstone Favors the Appointment of Lowpox, Oct. I .-- The Irish eviction mestion and the evacuation of Uganda were the main matters discussed at yestermeda a fold were last day's Cubinet councils. A decision concerning Uganda was postponed be-

cause of the more urgent necessity for a solution of the difficulty in the way of afgot Cutieura keme | fording relief for the evicted tenants in Mr. John Morley, Chief Secretary for temporary grant of money on the ground the Commission to examine

as he can be. The Cuticura Mesolvent has given him tone, vigor and strength. I enclose his portrait. Theore to the f mous Cuti ura Remedies. They cannot be spoken of too highly, they have done all that has been claim d for them.

WM. A. OANDNEH, 188 E. 1937d . L. New York

They cannot be spoken of too highly, they have done all that has been claim d for them.

WM. A. OANDNEH, 188 E. 1937d . L. New York tenants would suffer. The Irish Evicted Tenants' Association ask in the laterim a grant of £250,000. with due representation on the commission. Mr. Morley has promised that the asso ciation shall be represented in the Commission, but refrained from pledging himthe Cabinet. , The representative of the Associated Press has learned that the Minis-

> Mr. Morley will now be able to co municate to the Nationalist leaders the intentions of the ministers, whose assent to the grant will be accelerated by duly nursed public clamor over the sufferings of the evicted tenants as winter approaches. Another subject mooted by the Cabinet

ters are inclined to concede a moiety of the

evicted tenants' demands, but refuse to im-

mediately sanction any portion of the pro-

was the appointment of an Irish Under The Associated Press announced month ago that a well-known politician, George Fotterell, who was once legal adviser to the land commission, was Mr. Morley's own selection for this office. There matic, sciatic, hip, kidney, chest and Morley's own selection for this office. There muscular pains and weaknesses. Price is some ministerial opposition, however, and this appears likely to balk Mr. Fotterelf's appointment. Mr. Ridgway has not yet resigned the post, though he is ignored by the present Chief Secretary. Mr. Gladstone wants a former Under

Secretary, Sir Robert Hamilton, now Govof Tasmania, to come home and resume The old place. If Sir Robert consents it will only be in ference to the solicitations of Hadstone, who deems him the best mas for the critical transition period. The gravity of the eviction trouble comes more intense under the action of Tory landlerds. The number of evicted tenants now reaches 4500. The number of eviction notices pending under the act of 1887 reaches almost 30,000. Many of these are formal, but all tenants, unless they pay their arrears within six months after they receive notice, are liable 2. The three two storey first Dwelling Houses to be ousted or become mere caretakers of their own farms. If the landlords mean to try to foil the Liberal policy by wholesale evictions, there will be a bitter land war. The ministerial circle is | ian majority by 587 votes. confident that the Cabinet will not heatate to sanction the boldest measures the Irish executive may require to foil the Unionist

Whatever may be the effect of the Mc Carthyite manifesto in America it has fallen flat here. The Liberal press give it scant comment, while the Conservative papers dub it a "mendicant whine, its grand eloquence of language failing to conceal its rue character-an appeal for funds to enable anti-Parnellites to live in comfort in London throughout the next session."

AMERICAN CATTLE.

They Are Pronounced Free From Pleuro Paeumonia. LONDON, Oct. I. -- Secretary Rusk's proclamation declaring the United States free from pleuro-pneumonia has not yet officially reached the Board of Agriculture here. The Board officials, however, accept the declaration as valid and appear ready to respond to United States authorities cattle. The Live Stock Journal, referring to the vast importance of the proclamation, holds that the Government must allow a sufficient interval to elapse in order to prove beyond a doubt that the disease has been wholly suppressed, and that this provision should also have been made against Texas fever, of which 500 cases were detected in 1891 among animals intended for export.

TROUBLE AT THE TABERNACLE.

to the Successor of the LONDON, Oct. 1 .- While the feeling of the purply Baptist section of Mr. Spurgeon's Tabernacle is in favor of the retention of Rev. Thomas Spurgeon for a further preaching period, the bulk of the the desire services of Rev. Mr. Pierson. Thomas Spurgeon has already booked passage for New Zealand, but it officially requested to stay he well probably agree. Despite the present dispute the deaconate concur in the opinion that it will not lead to a split in this the biggest congregation in the world.

A Baptist Minister, a Betired Minister and a Doctor Accused.

Sr Joux, N.B., S.pt. 30 -Ray. Sidner Watte, Baptiet ministor, Rov. C. B. Wi ton, retired minister, but recently agent of the Union Mutual insurance company here, and Dr. E. C. Randall, of Hillaboro, N. B. were arrested to-day on a charge of fraud open American insurance companies to the extent of about \$14 000. The authorities are also looking for a man named (i deon D. Raid, an accomplion. All are charged with "graveyard insurance" swindles. The information laid states that on January, 1890, application was made from one Wil-Total Abstingnos insurance company, of Chicago, through 2 B. Wilton, for a \$3,000 policy. There was a certificate of health from Dr. Randall, Rev. Sidney Wilton signed as witness. It is alfeged the was dying of consumption at the time it was cause he is a thin little spare man. But he | made. Policies were also taken out for evidently realized his position, for he look. \$25,000 in the Golden Rule company of Boset Merrison for \$5,000 to the Mutual Reserve fund; \$2,000 in the Union Mutual of Majos, and \$1,500 in the Golden R de Albrother of the insured, but it is alleged he carn money during they stay in lower only received a small amount of it. All the money from the policies was collected by C. st, Wilcon. The magistrate this afternoon refused ball, and the three were committed to just. The affair is causing much tark here as Roy. S. Wilton is popular among the

A SAINT'S BRETHREN.

Annual Convention of the Fraternitz of Episcopal Young Men. Postus, Oct 1 .- The opening religious exercises of the seventh annual convention of brotherhood of St. Andrew of the Episco pal church, were held in Emmanuel church and conducted by Rev. Leighton Parks, rector, and Rev. William Jones, assistant ector. Bishop Huntington delivered the pening speech.

The bishop outlined the history, alme and objects of the brotherhood. He said that because it was wanted it began to be. Laymen are the principal part of the organihe laymen get at them.

"You," he continued," "do not build a touse and call it God's house, put a fax on pows and wait for mento come in, but you go out and find them. You are God's running, first-footed huntamen, quick of e,e and quick of feet. You do not stop to see how oad the people are, but what you can do to make them better. You are God's shepherds seeking for his lost sheep. You are

There are 600 delegates from nearly every state and territory, the district of Columbia and Canada. J. Perry Warden, a delegate from Scotland, told of the work that has been accomplished across the water and the good that has resulted. William C. Sturgis, of Christ church,

New Haven, Conn., was elected president, and Joseph R. Carroll, St. James' church, hicago, secretary. The report of the council was then presented showing that 196 new chapters have I been formed during the year. The council \$12,617; disbursements, \$11,674

A Woman In Disgules. CINCINATTI, Ohio, Oct. 1 .- When the name of Nora Moore, charged with appearing in pubfic in male attire, was called on Preabyterian history, stating that he re- the police court there was no answer and presented the oldest reformed church on her bail of \$1,000, deposited by a professional bondsman, was forfeited Mine Moore was really May Dickipson, a belle of Ex-President Blaikie made the speech of | Findley, Oato, who had come to the city the evening. His venerable appearance, with Drs. Niebelss Howard and Samuel Edwards, two young physicians. She had doned male attire in order to see the sighte out was suspected when the trio entered a down town saloon and was arrested. The men appeared in court and was fixed for carrying concealed weapons, each having a revo.ver with him,

A Necessary Precaution. The Cunard Steamship Company proud boast that, during the many years of their "deformed." [Laughter.] Reminiscences incorportion, they have never lost by shipsreek or accident the life of a single seamen or passenger. There is little idea of the necessary precautions taken by them for the safety and comfort of passangers. Every berth carries a life-belt, while patent lifeboats, and rafts are stowed in every convesient corner of the deck. Every ship carries too, for the free use of passengers and crew, a supply of St. Jacobs Oil, in order that any bruises, sprains, colds, or other allments, may be quickly and surely cured.

The Crawling Phiogs Frightened Her. BUFFALO, Oct. 1 .- Louisa Picks, a cham bormaid at the Genessee hotel, is in the hospital recovering from an attack of hysteries which, for a time, threatened her life. | killed and many wounded. One of the guests at the Genesce is A. I. Blane, a drummer, for a New York toy house who had his room full of samples of anakes, alligators, turtles, bugs and spiders, which run around when wound up. He was showing them to a customer yesterday and | several public schools. Two weeks ago the left them running in all directions in his room. The chambermaid entered the room She fell in a hysterical fit amid the bugs and spiders, screaming at the top of her voice.

THE OPIUM HABIT

Miss Dr. Beatty of the Women's Medical

College, Talks. At a meeting of missionary women in Toronto one of the questions asked related to the oplum habit among the women of ludia, and all men present were asked to with NEW YORK, Oct. 1/-- The police guard | draw while Miss Dr. Reatty, from the present were newspaper representatives, i was but a very small procession that made a speedy exit. Miss Beatty's explanation put the matter in a different light from the one in which we are accustomed to view the wholesale consumption of oplum. She said it would be cruel to take it away from the suffering wemanhood until civilization had opened the door of the genanas to medical men or there were enough women dectors to relieve the terri ble agenies which women suffer and must bear without treatment. Opinm is toexpensive. All women take it. All bab'es are drugged with it, as d the poor little child wives are relieved by its aid. "I have seen," said Miss Beatty, 'a little girl of thirteen with her cwn baby on her lap. It was drugged and no trouble to her. How could it be when it was asleep? And she would

to play with while she was free from the care of her little one. While the present BERLIN, Oct. 1 .- Dr. A. Stanhope, who awful state of things maintains in Iudia, oplum is comething to thank God for." Some one in the audience rose to ask it Miss Beatty considered the crusades against opium of no avail. "Not a thousand times no!" she answered; "but let obristianity be sent to do away

with its need." But the Anglican syncd of Canada, at Montreal the other day, declined to do even a little towards the nuble work a Canadian college is doing in supplying medical we men will be given in this picture contest which i to treat thousands of women in India. The aynod would ansner give its money to proselytics Roman Catholies in Canada or Jews in the Holy Land.
