CAMPAIGN FUNDS. The government of Canada, which has been keeping itself in power by a lavish ex penditure of money in the general and bye elections, should send some one, say Sir A. trayed by one who has been an intimate of There is in the national contest a system

is in office or who expects to get into it. Then there is the voluntary subscription plan through which the "wealthy men, eapecially those who feel that they have much | carry in Ernesttown. There is not the at stake in national legislation," such as the slightest possibility of it being presented cotton, sugar, coal and other barons, give then for popular endorsation this year. there is the national fund which represents the general plunder of the state. In connection with it the writer declares that in 1880, in Tourists Camping on The Shores-Events Illinois, the two leading county managers of one of the parties went to Indianapolis and there met a representative from the national committee. They went to his room in the hotel to talk with him regarding funds When he saked their needs it was replied that they did not come to beg money from improving its surroundings. Another pionic the national committee, but that their coun ; stood ready to match dollar for dollar, what, over sum he was willing to give them. "You're the kind of men I have been wanting to see," replied the gratified representative from New York. "You can have as much money as you want; help yourselves." He took down two valises, and threw them open, showing them packed full of bills. One of the most setute of New York political managers is of the

promise to match the sum "dollar for do The practices in vogue in 1883 are no Canada's corruption fund. He can be spared from the royal commission for the present, or, as his creation, he can have i

adjourned at his pleasure. FACTS COMING OUT.

The Caron sendal commission has been session some time and has not accomplished and papers referre, to by Mr. Edgar in his communication to the court, damaging evidence against Sir Adolphe has been brought attorneys of the government and Sir Adolphe. great revelations are not expected, and yet Thomas McGreevy and J. L. Beemer, pub- the building, made larger, is one of the lie contractors, have admitted enough to finest in the country. show the forces of Mr. Edgas's original

bee corruption fund, admitted that he got | pose that it will be of benefit to you? For \$26,000 from Caron for election purposes, and checked it out as he was directed, out he professed to be ignorant of the origin of Feeling, Catagrh, Malaria, Rheumatism the funds, and he had the assurance of Sir | Hood's Sarsaparills is an unequalled remedy. Adolphe, given to the press, that they were not part of the subsidies granted to the

Quebec and Lake St. John prilway. Mr. Beemer meant to be guarded in his remarks, since he is the friend of the party in power every time. He does not appear to have any politics, is not a Canadian, and has learned the importance of supporting the government of the day regardless of who constitute it. He was a Caren man in the federal elections and a Mercierite in the provincial elections, because he recognized these as the conspicuous factors in local and TO RENT BY THE | general government so far as be was conoccued. Well, what did he do? He gave 25, 000 to senator Ross, his financial backer, and gaid, five notes. Three of them were ini-

tlated by Sir A. P. Caron. Mr. Beemer says the money was not a diversion from the rallway subsidies which were paid to him before and after 1887, but this statement one only accept with a reservation. Nor was be estisfied with his contribution of \$25,000. He paid \$2,000 by check through Sir Adolphe Caron, in 1890 towards the Montreal bye-slection and \$5,000 towards the general election following. The last payment was made through Mr. Chinic, of the Chinic hardware company, but Sir Adolphe Caron, who subsequently checked it out, knew where it came from, and has explained that though Mr. | or renew your subscriptions by calling at

McGreavy held it came from others. Such are the developments which have been comewhat accidentally made by the commission's presuming to follow some of Mr. Edgar's suggestions. The inference is time, has been discontinued, but there is plain, that had the original charges pressed everybody is attending the fair at Lane-Sir Adolphe and probably some of his downe. The remains of the late Mrs. Decolleagues would have been driven from Welfe, killed near Lansdowne station, pure public life; as it is there is danger in store ed through here on Thursday. This have been collected and published with the are obliged to forage for themselves, and looking for his dinner, would have an excellent prospect of going hungry. Night work was then a necessity for them, but when the need ceased the habit of wakefulness was given up.

Attacked by Birds. Bailey Hoover, a young man employe on the Curtiss ranch, near Woodland, Cal. reports a strange experience with birds. He was driving a single horse and buggy the other day. When about two miles from Knight's Landing he was suddenly startled by myriads of birds which swarmed down upon him, screaming angrily and flying at him. The air was literally black with them, and they viciously attacked the horse, which was frightened into a frantic effort to run away. The young man was scared beyond his powers of description. He fought the birds off with his whip, and directing the horse as best he could was soon beyond their pursuit. He said they were nearly all blackbirds, although there appeared to be other species among the
