The columns appear solid on both sides; now go in to win! But while politics have engressed much of our attention, religious matters have not been forgotten. The opening exercises at Atonement. The general observance of Union theological seminary, of which Dr tion frightened the faculty of Union theolo gical seminary they are very much mistaken. Union theological seminary takes no step backward, but stands by her distinguishe son, Dr. Briggs, though the entire Presby were against him. Dr. Brigge was present though all eyes were turned upon him. The opening address was made by the Rev. Cuthbert C. Hall, of Brooklyn, one of the "Forward into the Light!" the leading idea down to a blind and exploded tradition, that that spiritual light be sought by the highest interpretation of the scriptures. The closing cance of the new departure. Dr. Schaff, speaking of the sacrifice of Servetus, by John Calvin, declared that both were wrong-Servetus was guilty of heresy and Calvin was handsomely trimmed, in fact round about, for many years, as a "Cheap guilty of intolerance. "Heresy is an error, cried the preacher, raising his voice bus "intolerance is a sin and a crime." De-Briggs nodded his head in approval, as much as to say, that's so. Some of the ministers and Mr. West says neither the baloon nor said audibly, amen; and even the grim old face of Dr. Hastings lighted up and grew enfter, and one could almost hear his epiritual response : "Yes, brother, yes, the Recently while David Van Winkle, farmer | day is coming-Forward into the Light !! at Sharbot Like, was holding a pig the rope | One of the most remarkable features of the

The Amen Corner, Miss Gumaer's first number was, Heart at Thy Sweet Voice." It was well adapted to display her voice in all its power and quality. Sue is a master of modulation, the light and shade of music. Har auditors i were held in rapt attention until the final, "Ling Ago," like an coho from the past startled them into the present, and the music ball rang with applause. In the "Amen Corner" Miss Gumaer showed her dramatic ability and her powers of mimicry, and startled her hearers with the humor,

A Pisco For The Winter. F. Seymour, Ginanoque, bought the soow Gull from W. H. Hunt, of Darling's. John oper was left in charge of the acew. He bgure. had a fondness for old iron to he looked ! about, discovered a cook atove on a scow, owned by Aaron Dano, moored near by. He recently completed have only six days more in the gambling hells of Dublin and Lonsmashed the stove, stored it on the Gurl and in which to file their objections with the don. who valued the stove at \$0, ran down Soper received up to the present and all relate to Bereaford, at Algiere, it was a case of love be did not see his way to do so,
