EATING A CROW. Hon. M. C. Cameron is certainly acting n a vigorous manner in running down his traducers. The Goderich Star had no sooner made public apology for its references to him to the effect that the evidence in aupport of the charge preferred against him was wholly unreliable, when his attention was called to the remarks of the school inspector. This official was credited with

"For the last six months I, have had brought to my notice a good many things that you, a public man, paid by the people of this county, have said of me, and of the charges made against me by a low gang of town tories, of which you are a conspicuous

of Eilen Lomas. And Mr. Cameron wrote

"Now, unless you, within twenty-four hours, give me the name of your informant, the man who told you that I and my friends have again baulked the enquiry into the seduction of Etlen Lomas, and unless you apologize for repeating the slander, I pro-pose giving you a chance of proving what you have said, and of dining, as others have done, on crow, plus the feathers but minus

And what did Mr. Tom say in reply?

"If I made use of any language to Wm. Lane or any other person respecting the case of the Queen vs. McLean and Queen vs. Mitchell reflecting in any way on your con-duct and character I regret it, and hereby withdraw it and apologiza to you for the

"I have read over the apology made by James Mitchell in the case of Queen vs. Mit shell, and from that apology and other facts which have since come to my knowledge I am satisfied that there never were any of the slanders against you. grounds for the circulation and publication

It has been said that Mr. Cameron being an innocent man should meet his accusers nanfully. That is what he is aiming to do, I and he appears to be succeeding enusually

SCHULTZ AS A KICKER. Lieut, Gov. Schultz has declined to sign the order-in-council which has been passed by the government of Manitoba, and which legalizes the new survey of the city of Winnipeg. It is stated that the governor's course is dictated by self-interests, he being effected by the survey which presumably, in his opinion, damages or frjures his rights as a property holder. The people of the drinking waters which Paris takes from city are in favor of the execution of the the River Seine have created alarm, in order-in-council apparently, as prominent property holders at a meeting, called re. cently by the mayor, protested against the rather than medicinal character. These diegovernor's course, and have resolved to petition the federal government to compel the governor to sign the order or resign and make way for a governor willing to do so.

Takefer than medicinal character. These die totic waters, more generally called "table waters," if pure, are of great value as hygienic agents. Travellers are those who are citenest exposed to the dangers of the bad drink plants) are my high water which the majority of community of communi It is wonderful the nerve these lieutenant. ties furnish. Therefore they should as much governors are exhibiting.
