be made. Twenty-two points | ver, on Thursday last, Major Edwards. t bles were called and they finally anoccorded in ejecting the disturber. Many persons is Major Edwards came to this coun try almost three years ago to take the post tion of professor of artillery to the Royal military college, Kingston. He showed himself in a short time to be a thorough master of his profession and a capable it structor, as well as a high-bred English gentleman. He soon, however, develope Capt Hora, 14th, 39; \$3. E. Swain, K. R. A., but only twenty-pine of them cast their balreturned to Eugland, and at the last general election offered himself for Dover, as well as for a district in London, as labor candidates He was badly beaten in both. The incident at the church congress would seem to indicate serious mental disturbance. More's
