ted States, what about free trade in Eug-Was free trade on trial in the late British general understanding. In the states the the former won. It will be time enough to

BRASTUS WIMAN RIGHT. This we extract from the Montrea

ple have condemned it.

"So Mr. Wim un thinks that the new Possibly, and if it is the wish is running in the right direction. The American people have dealt with the twriff as it concerns them. They have voted for a lowering of it, but they are not so much interested in its effect; upon international commerce as those trade with the people within It seems to be an act of folly to look to Washington and expect the government of

Mr. Cleveland to take Canadian interests into account, to suggest and reccommend a reduction of duties on Canadian products without some hope or promise of a reduction in the Canadian tariff on American products. There has to be some cort of reciprocity about the business, and there is no reason why the Canadian government should want government, indeed, cannot afford to trifle with the subject. While Hon. Mr. Foster has been discussing the question of imperial federation in England the general directory of the Industrial Brotherhood of Canada, in Woodstock, has been passing resolutions to this effect :

"Resolved that the fiscal policy of our country is a farce in so far as it purposed cent of living, decreases the purchasing power of the wage laymen of all classes, to eating the very vitals out of the dominion,

"And resolved, that every lawful means be used to rectify the wronge created and maintained by the present system,"

Commenting upon this the Ottawa Jour nal speaks to the point when it says : "We do not know who the industrial brotherhood are, or how powerful they may be, but taking their deliverance in conjunction with in this column further on, it is pretty ovi Canada with present fiscal conditions. Something better than, or some amendment to the N.P., seems to be needed by the conservatives for the next general elections.' and the Montreal Gentette cannot too soon begin to hedge.

EDITORIAL NOTES. The reciprocity feeling is being revived. Who says the movement is dead ?

The London Free Press, supposed to be conservative, says that if Mr. Cleveland is sincere in his pledges he will proceed at the earliest time to place the United States the reasons: (1) The general worldli. for book and journal free. W. T. Baer & tariff on a lower and more equitable basis. What is this but an admission that the tariff has been working an injustice upon and pernicious methods of biblical the people.

American tariff embraced features, "which, while discriminating against the products of our Canadian tariff, copied from the Americans, pinch and afflict the people of this country similarly. In other words in reburn for their election subscriptions the ent place in prophecy borders close on ad-combines are permitted to scalp the people vens land. the public to be on their guard against substitutes and imitations of popular remodies. And yet, notwithstanding these repeated warnings, the business of selling substitutes and imitations flourishes to a greater or less extent in many parts of the country. There is no, remedy in Canada to-day so widely advertised as Dr. Williams' Pink Pilis for Pale People, and none, judging from the very strong endorsations appearing from time to time, more worthy of public confidence. It is a remedy like this that the counterfeiters and imitators attack, in the hope of reaping a benefit from the extensive advertising of the genuine medicine. It may perhaps be well to caution our readers again, and remind them, that the substitute of imitation can never take the place of the original remedy and that the dealer who gives a customer something else than what is asked for, either representing it as the original, or as something "just as good," is guilty of an action very closely skin to frand.
