GRASPING, AVARICIOUS CAPITALISTS IS WHAT OUR COMPETITORS CALL US.

GRASPING--Because we want the trade of the Earth! AVARICIOUS--Because we hang on to the almighty dollar. CAPITALISTS--Because we have the money to outbid them in the wholesale markets.

Well, you can see what it amounts to. Success always creates envy and distrust. If we were only half as successful we would only be feared half as much as we are.

Our push and principle alarm our competitors, our business grip makes them wince, our Big Sales excite their envy, our popularity is what they cannot block and must put up with.

Talk of Big Stocks, shout of Immense Piles of Goods! GOUGH knows what big stocks mean. Throughout Ontario, in the eight best towns, GOUGH has Clothing Stores. It is a notorious fact that they do the trade of the town. They buy Cheaper, carry more stock than all our competitors combined.

Notwithstanding the low price of wheat and cry of hard times with other merchants GOUGH'S Sales are head and shoulders ahead of the Best Sales on record. Keeping the Right Clothing, selling at the Right Price, giving Good Value in the happiest possible way has done it. GOUGH is proud of his success. Vive le GOUGH.
