ROTHSCHILD'S PLAN IS NOT GEN ERALLY ACCEPTABLE.

An American Asserts that Europeaus Are Much More Interested Than Americans in the Working of United States

BRUSSELS, Dec. 3 .- The report of committee to the conference on the promost in the fail I gos committee to the conference on the proother remedies, but they | that the opinions expressed and given on the individual responsibility of members of the committee, and continues by setting forth that a necessary preliminary for a proper examination of any of the proposals was a precise First, as to the irginiative measures likely

o be taken by the countries producing Second, existing probabilities of the future production of silver in the United States and Mexico. Third, the policy of the United States as to the purchase of silver.

Fourth, the policy of India regarding the nintage of silver. Regarding the first question, United States Dulegate Henry W. Canuon stated that the question of limiting silver had been considered in the United States as great skin cure, and Cutiours Soap, an ex-miste skin purifier and beautifier, externally (to few the skin and scalp and rectore the hair.) are avery disasse and fromor of the skin, seaip and it was recognized that under existing legislation there were no means for attain-ing that object and that the modification at blo d with loss of hair, from infancy to see. of the present law in that direction was improbable. The Federal Government had no direct or indirect interest in the working of the silver mines. European capitalists were, moreover, greatly interested in the American mines, making the prob-

em more complicated. The value of the silver extracted from the American mines was insignificant compared with the annual total of the general Mexican Delogate Cassaus, in behalf the Mexican Government, declared that the production of silver in Mexico had perhaps.

reached the maximum. As silver was the chief article of export was not to the interest of the Government to interfere with the industry, and under the output or to probibit its export. Regarding the third question Mr. Cannon said that the American Democrats and Republicans, besides the great bankers, advised a repeal of the Silver Purchase Act of

Should the conference fail to make, some disposition of the questions at issue it was more than probable that America would not be willing to continue the purchase o 54,000,000 ounces of silver annually. India Wants St Metalliam.

Sir Guilford Molesworth, one of the lelegates from India, in speaking on the fourth question said that while there was tope of an international entente India would hesitate to modify her present The adoption of a gold standard

India, though difficult, would be attended by more disastrous results in gold-using countries than in India. The only satisfactory solution would be international bimetallism, in which India would join with the Latin union and America. Rothschild's Scheme Paltry.

ROTHSCHILD'S SCHEME.

The American Delegates Have Reported Liberalizing Modifications. WASHINGTON, Dec. 3 .- Secretary Charles Foster said pesterday that he has private advices in regard to the proceedings of the International monetary conference at Brussels to the effect that the committee to which the Rothschild silver plan was referred has reported modifications, liberalizing that plan, but that the conference has decided to first consider the general question of bi-metallism. The secretary expressed his belief that the conference has already accomplished some good, but he would not commit himself on the subject.

It is learned from another source, however, that the American delegates to the conference are not altogether satisfied with the Rothschild plan and will endexvor to secure further concessions in the same direc-

BOOKS OF BUSINESS MEN. Are Freely Opened to the American Bureau of Labor. LONDON, Dec. 3 -- Dr. E. L. Gould of the American Labor Department testified yesterday before the Royal Labor Commission.

He said that he was studying the housing of working people, the Scandinsvia liquor laws and other matters pertaining to the welfare of the masses. The American Bureau," he ailded, "had andonbtedly been instrumental in curtailing the number of strikes. Probing in

dustrial matters helped to improve the intelligence and standard of life of working-"The department at first had difficulty getting information from employers.

that was all changed now." Business books are freely opened to the burean, which, Dr. Gould declared, had not only benefited workingmen but the trade of the whole country.

A E200 Poem. LONDON, Dec. 3 .- Mr. William Watson the poet who wrote the best obituary, poer on Lord Tennyson, has been offered £200 from the Royal bounty, leaving the quesion of pension in abeyance.

Rum at a Funeral. BRIDGETON, N.Y., Dec. 3.-James Beck. an aged resident of this place, was beried vesterday. John and Authony Beck, sons of the dead man, stopped the funeral services by attempting to thrash the minister. The clergyman had destroyed a small ottle-of rum he found in the house. This so enraged the Beck boys that they threatened to thrash the preacher, and were only prevented by sheer force. After the men had been locked up in a side room the services were concluded.

A Mining Trouble. BAKERSTIELD, Cal., Dec. 3 .- James Buron and F. Burton, brothers, were killed resterday by Bill and Charles Gibson at Kernville, in the mountains 80 miles fromhere. The Gibsons came to Bakersfield and gave themselves up. The trouble was about a possession and working of mines:

Short of Funds, New York, Dec. 3 - J. Ross Faulkner, Assemblyman Loster B. Faulkner, poisoned imself at Bellevue Hospital where he was studying medicine. No cause known for Faulkner's suicide except that he was short of funds and had not enough thoney to complete his studies.

Has Not Yet Resigned, Quence, Dec. 3 .- Premier De Boucher ille consuited the members of his Cabinet centerday on his intention of resigning his ortfolio, but the honorable gentleman has or yet resigned. His colleagues urged upon him to 'swait arther events. However, his resignation may be looked upon as certain if Hop. Mr.

Sapleau's appointment as lieutenant gov. anor of Quebec is maintained. Shocked for Ten Seconds. CHAPTAROODA, Tenn., Dec. 3 - An earthmake shock was felt here yesterday. churches never knew of their existence, and never sought them out to save them. The Salvation army had scarcely disappeared from our streets when they were taken possession of by students from Dan to Beersheba. The football contest was with | Cheese-101c to 101c for finest white-Yale and Princeton, but both have friends to every college in the land, and the thanks giving kick is the snow that brings them out, It was just as well that the Salvation lasces in their natty dreams, poke bonnets and sweet, sonsy healthy faces, got out of town before these college roysterers arrived, or mercy only knows what would have happened to General Ballington Booth's female

As a general thing we who live here and pay the taxes think we own New York, but when the college brigade arrives for the annual thankegiving football game we almost begin to donnt it.

All Wednesday the trains came rolling in prowded with the friends of the prange and niack of Princeton, and the time of Yale. Almost every one you met sported the college colors. Grave old bankers and staid old lawyers and merchants were decked with the color of their alma mater. Handsome dames with heads of enow and pretty girls, only just out of their teens, displayed the ribbon of the rival bolleges, as lave or in terest dictated. The college swell is a daisy, and he knows

it; always a swell, he was a swell more than

ever this year. Long platers with capes and broad brimmed Dek Turpin highwaymen's hate, and there backed up by heavy formidable clube, made them lock about as tough a crowd as a policeman would like to Syrup of Figs is taken; it is pleasant tackle. As usual they proposeded to take and refreshing to the taste, and acts THE BUSINESS EXCHANGE possession of the town and make things look ike a very bright crimson. It is a sad commentary on the great college game, especial ly the one contested for here at thanksgivog, that a body of educated young men, who from their educational and social advantages, should be examples of decent dopertment to these less favored than themselves-young f-llows, who, at home or ool. | duced, pleasing to the taste and nolege, wents pass as well behaved gentlemen | ceptable to the stomach, prompt in when they get to New York do all is their | its action and truly beneficial in its | Prace d armos, Montreal power to distinguish themselves as drunken effects, prepared only from the most 950 GIRLS WANTED at once for the b) ckgoards, doing things with impunity bealthy and agreeable substances, its
