BRITISH AGRICULTURISTS DISCUSS THE DEPRESSION

His Statalliam Payored -A Union of Landlords and Tenants Agreed Upon-A Seturn to Presection Means a Return to Barbarity.

Loxpos, Dec. 8 .- At the agricultural minference Mr. Chaplin declared that foreign competition was not the only cause for the fall in prices of agricultural pro ducts. The continuous rise in the value, of gold was quite as serious a cause. The immediate remedy for that would be a tore to be metallism, in regard which he said the statement the subject recently made by Arch bishop Walsh of Dublin was the meat convincing ever published. Mr. Chaphis said be carneatly hoped the conference would adopt the principle of hi-metallians. The Earl of Winchelses and Nottingham suggested the formation of a union of landlords and tenants. Toronto's Water Supply. Toroxyo, Dec. 8.-Much grambling is heard about the report of Dr. Pyne on the analysis of the city water, showing that onefifth of the supply was sewage polluted water from the bay that leaks into the main laid across to the lake. Toronto has spent three quarters of a million on a pumping plant to get water from Lake Ontario, and Dr. Pyne's analysis of the water is doing more than anything else to further the old project of getting the supply by gravitation from Lake Simone, the interest
