The Results of Japanese Life And Art
A Collection of Japanese Art
The Japanese Art Exhibition at the
Cathedral of St. James, Toronto.

New York, Dec. 16.—Nothing tells
the story of our mounting wealth more
positively than the multiplication of shops and
places where luxuries are shown.

At present these enterprises are
being carried on in the most
splendid manner. The Japanese Art
Exhibition at the Cathedral of St. James,
Toronto, is a case in point. It is the
most beautiful and costly exhibition
of the kind ever seen in this city.
