RIOTOUS STRIKERS.

THE LARGE GENERAL STATION AT PERTH RIDDLED WITH STONES

Attempt at Train Wrecking—Report that the strikers have lost Koch's Secret Divulged—The Lynch, Only Glycerine and Extract of Turpentine Bassett.

BURGESS, Jan. 15.—The secret of the ingredients entering into the composition of Prof. Koch's syrup is given to the world today. Prof. Koch says: "The remedy which is used in the new treatment consists of a glycerine extract derived from the pure galactin of tubercular bacilli. Into the syrup extract there naturally passes from the tubercular bacilli, besides the active substances, a certain amount of mineral acids, coloring substances and other unknown extractive matter. Some of these substances can be removed from it with toluene.

The effective substance itself is insoluble in absolute alcohol. It can be precipitated by it not indeed in a condition of perfect purity, but when such occurs it is easily removed by ether. The glycerine may also be removed so as to render it possible to obtain from the extract a colorless dry substance containing the effective principle in a much more concentrated form than original glycerine solution. For application in practice, the purification of glycerine extract offers no advantage because the substances so eliminated are not essential for the human organism. The purification process would add the cost of many unnecessary operations.

As announced the concert gives under the auspices of the Twenty Five Music Society connection with St. John's church, was a grand success in every particular. The fine hall was filled to overflowing by our own people, who were greatly pleased with the services.

McKinnon, Jan. 15.—The Rev. H. E. Allan, assisted by Mr. Vermilyea, of the Tabernacle, organized a very successful campaign in the Tabernacle appointment. The home of the customs collector was galed by having his children home to spend a few happy days at the beginning of the new year. In company with the above were Rev. J. C. Jackson, Dr. W. H. Green, Rev. Mr. Lewis and Amherst Island is in good condition. People have been crossing for the past ten days. It is rather an unusual thing to see such a large number of people crossing the bridge at this season of the year.

Mr. Jackson, Jan. 15.—The Rev. H. E. Allan, who has had a most highly respected young

lady as his wife, has won her heart.

The happy couple will spend the honeymoon in New York, Boston and other cities farther south. They intend making their home in Kingston, and now that we have started on their journey through life together, we hope to have a long and happy life.

Rev. H. E. Allan, who has been more than busy this week, officiated at the wedding of Mr. and Mrs. Jackson.
