ed with exception of coat and hat and lying

The accepted theory is that the murder was committed by tramps. Another and more startling theory, but one which is accorded some credit, is that Tobin obtained information regarding those who caused his daughter's death; that this fact had become known to the guilty party or parties, and that whoever was responsible for the death of Mary Tobin also plauned the murder of her father.

assailants must have been several in num-

Detectives have been at work continuously on the drowning mystery, and Tobin is re ported to have said recently that a loop would soon coil in the right place. Tobia was a man of strong character as

well as physique. When he came to this country from Eug iand his special mission was to fight Ben | Hogan, the then notorious fighter and bad man of the oil regious. Tobin soon became converted and his life from that time became one of pallanthropy and good works. He frequently toos poor boys from the streets and supplied them with clothes, looked after pour families and held meetings among the prisoners in jail. Twenty special officers are searching clues to his assassins.

Early Sunday morning, May 12, 1889, Thomas W. Armour, janitor of the Clifton boat house, discovered what he thought was a log of wood floating in the water a short distance from the boat house, but which proved to be the body of a woman. Getting | Kane, who lived in South John-street, killed into a boat he secured the body and notified Coroner Hughes. There were no marks of violence on the body, which was considerably

The next day the body was identified as that of Miss Mary E. Tobia of Franklin Pa., who had been formerly employed as assistant to Dr. Samuel A. Robinson, a physician of West New Brighton, S.I., in whose house, up to Saturday, April 13, she re shied. On that date she left Dr. Robinson employ. She was understood then to be eugaged to Dr. William Bryan, a former as istant of Dr. Robinson, with whom she was last seen alive on the following Monday evening, April 15. The inquest developed the fact that she was to start that evening for her Pennsylvania home. She div not go to Pennsylvania but remained among employed to solve the mystery, but failed. | ed here two years before her second maraccidentally drawned, and there the subject lived unhappily owing to the man's drinking eral belief that Mary Tooin was dead when | No details are known, as the murderer and her body was deposited in the water. MURDER AT BELLEVILLE

A Laborer Stabs His Wife to the Heart-A Butcher Knife Used.

BELLEVILLE, March 33. - A horrible murder was perpetrated nere this afternoon about 5 o'clucs. A laborer named James his wife with a blow from a butcher knife, which penetrated her heart, causing instant death. It was the woman's dying shrick which led to the discovery of the crime before the murderer had time to escape. Two men who heard the awful cry rushed to the house and opening the door saw the woman lying dead on the floor and her slayer standing over his victim with the gory knife in his hand. An alarm was at once given, the police were sent for and Sergt. McCrudden took the assassin into custody. He submitte quietly and was at once taken to the calls.

"Had to Die Some Time." When asked if he was not sorry for what he had done he said," "Not very sorry," that he had to die some time. were between 50 and 60 years of age, had been married for about 10 years, the man the missing until her dead body was found being the woman's second husband. of Imampity. A strange case of insanity is that of P ter Branigao, a pensioner, who has boarded with Mrs Laferniere, Ontario street, sings shortly before Coristmas. It has been apperent to all who have been brought in con downstairs and precured several knives, one of which he took to his room | Seeds evidently with the intention of ending his ! life. He was disturbed by another boarder | W and growing quarrelsome began to tear up and smash everything he could lay his hands on. The police were sent for and Officers Tuttle and Ballantyne responded. Branigan struggled fiercely and gave the

to be examined by Dr. Oliver. The Lymph in Toronto. . Tonowro, March 24 .- The verdict has at last gone forth from the hospital that the CAP.TAL, \$12,000,000. REST, \$6,000,000 porarily alleviates mild cases of tuberculosis
