DUBLIN, April 5.-Notwithstanding steady downpour of rain, fully 2000 persons assembled in Prosnix Park to-day to assist in the demonstration of the Amnesty Association and protest against the continued imprisonment and alleged inhuman treatment of Irish and Irish-American political prisoners by the British Government. After speeches had been made by Kenny, Mr. Parnell and others solutions were passed calling Irishmen at home and abroad to put forth every effort to accure the release of their friends, and demanding that the Government hasten the unconditional surrender of the prisoners. Marie canal, we have enough creased or our debt decreased, we must cal a halt. Any government that may be in lie bordens. In the circumstances of the country any other policy would be madness.
