### THE CASE POSTPONED.

#### CHARGES AGAINST GOWDY WILL NOT BE HEARD.

The expectation of some early evidence at the opening of the post office case, this morning, from a large attendance for the trial, was disappointed when the court adjourned for three months until the trial of the case against Mr. Gowdy, charged with the murder of the young man, the latter advised and not guilty, his place in the dock. He pleaded "not guilty" in his own defence, but will return to court to-night and proceed with the trial.
