Committee-McGreevy Evades Arrest.

OTTAWA, Aug. 21.—In the House yester-iay the Deputy Sergeant at Arms reported that he had gone to Quebec and made dili-gent search for Thomas McGreevy at his souse, office and elsewhere, and could not ind him. He was informed that Mr. Mc-Greevy had left Quebec by the Grand Trunk Railway, but could not find his destination, and believed that Mr. McGreevy had de-parted several hours before he left Ottawa. Mr. Cameron (Huron) announced that he Mr. Cameron (Huron) announced that he intended to drop the charges of a general sharacter preferred against Mr. Cochrane, and press only the specific charges. He sherefore moved that he is credibly informed, and believes that the charges can be estab-ished by satisfactory evidence, and that the charges be referred to a select commit-

April 29, the day of the discount of the \$75,000 letter of credit, there was deposited in the bank to Mr. Thom's credit a check for \$31,750 signed by J. C. Langelier and en-dersed by C. N. Armstrong. He produced a bundle of 20 checks which were drawn Auguste Edge, formerly private secretary of Col. Rhodes, now secretary of Mr. Pacaud, was the next witness. He said that he drew ice, consisting of Messrs. Caron, Dickie, Fiedale, Skinner, German, Muloca and the checks from the Banque Nationale by Mr. Pacaud's order, and gave them to Mr. ameron (Huron.) Mr. Cochrane said: "In answer to the

tharges made against me by the member for | Pacaud. Huron from his place in the House yesterfay, I have to say that I am innocent of the tharges made against me, and that I never made any corrupt agreement with reference. these matters. As to the allegations made n paragraphs 5 and 6 of the second branch of the charges, I say, as before, that so such corrupt agreement as related in paragraph five was made between me and Goodrich either directly or indirectly. I desire to state, however, in relation to his charge that Goodrich paid \$200 towards liquidation of deposit which had been adranced by persons other than myself several years before on the contestation of a local section in which I was not a candidate nor nterested, except as one of the party, and sone of the said money was received by me for any personal use, or for any political senefit, other than as above stated. It had been understood that I would recommend for sppointment to the bridge an old man named Dadiah Simpson. An arrangement was nade between Goodrich and Simpson by which Simpson was to take a life lease of

so way for my benefit, personal or political, and I derived no advantage therefrom. Mr. Dickey asked to be relieved from serving on the committee because of being m the Privileges and Elections Committee.
Mr. White (Shelburne) was substituted. Sir John Thompson thought that the plause of the charges referring to "other corrupt practices" should be struck out. The charge was too vague.

Mr. Cameron (Huren) said he was perlectly sensible to the force of the objection but would place in the hands of the chairnan at the first meeting of the committee, a specific statement of other corrupt practices with the names of the parties im-Sir John Thompson still insisted that the

tharge would be vague. Mr. Cameron consented to withdraw the slause from the statement of charges on the inderstanding that he be allowed to make these charges in the committee. The moion was then adopted. On the motion to go into supply, Mr.

Amyot moved an amendment with regard to the Kingston Graving Dock. The con-\$286,000 in 1888. The estimate cost last rear was \$318,000. The actual cost to date d. Bancroft turned out to be a fictitious same, the tender and all correspondence in Bancroft's name having been written by Michael Connolly. The Connolly Brothers were associated with the Bogus Bancroft in carrying out the work. Mr. Amyot therefore moved in amendment that the documents with reference to the Kington Graving Dock and the evidence and report thereon show gross fraud and forgery in connection with the letting of the contract, and culpable negligence on the part of the depart-nent in letting the contract and in making payments on such contracts.

Sir John Thompson said that uo blame could attach to the department because Sancroft's tender came in the ordinary way and a person was introduced to the departnent as Bancroft by Michael Connolly, who was well known there. There was nothing The Majority 17.

After a long discussion Mr. Cameron's mendment was rejected by 82 yeas to 96 says, giving the Government a majority of

Mr. Laurier said that during the debate it had been stated that Sir Hector Langevin of August, you was no longer a member of the Government. He asked the leader of the House to state Sir John Thompson said he had already without delay pull--not informed the House that the Minister of Public Works had tendered his resignation. That was sufficient. No action had been

sidered as a whole. It is impossible for the Government, sitting as a council attending to the business of the country, to devote sufficient time to the question, and they have decided that as soon as the session is over to appoint a Royal Commission, to be composed of probably three persons, one from the service, one of a judicial character and a third having experience, outside the service, in the management of a large number of people. One of the greatest defects in the management of public business hither-

ing these evils or preventing their recur-rence. The organization of the service, which obviously is defective, must be con-

to has been it was not regarded sufficiently as the business of any private individual would be. His efforts will be directed towards the adoption of a system by which the business of the country will be conducted on business principles. He hoped that by the appointment of such a commission as he had described they would be furnished with the description of a system which would enable them to carry on the business of the country on business prinstruction of the Esquimalt graving dock, although he admitted showing Mr. Starrs ciples, and hoped that they would be able to do so by such means that they would be spared the exhibition of unfortunate circumthe report of Mr. Perley, giving an estimate of the work. To-day Mr. Starrs correborated the evidence he already gave and flatly contradicted the statement of Sir Hector. He stances developed this session. He regret-ted to find such extravagant language applied to the developments made in the dif-ferent committees. He regretted the ir-Starrs) said that their tender was withregularities, but saw no reason because of them to assail the decadence of the country who told him that his figures were too low to complete the work; that there or to proclaim the universal loss of morwould be no extras; that none would be allowed, and that the work was all plain and would not admit of extras. The best man was ex-senator C. E. Ste-

Dr. McEachren, dominion veterinary offi-cer, was married on Wednesday in Montreal to Miss Margaret, daughter of the late Sir Advices from Honolulu state that downger Queen Kapiolani was stricken with paralysis on Aug. 4th, but no alarming results had been manifested.

Winnipeg his effects were sold to estisfy the debt thus contracted. Jos. Bombeau, a Quebec boatman hired a boat to two young men, Sanday morning, and he hasn't seen them since. It is foared they were drowned. General Miles, the famous Indian fighter, will visit France next month to witness the autumn army manauvres. He expects to get some ideas there that will be of benefit

And He Was Once Parnell's Lieutenant, long letter bidding evicted tenants not despair but to hold out pending the settlement merely to discredit Dillon's capacity as a political leader.

A Funny Case This. 25 years old, had James Burns up for using insulting language, said language consisting of a proposal of marriage and asking her to keep better company. The case was dis-missed upon the defendant promising not to

St. Thomas, Aug. 21.—Daniel Wise of Buffalo, was yesterday sentenced here to 10 years in the provincial penitentary and 60 lashes for committing an abominable assault year old, while stealing a ride to this city

OTTAWA, Aug. 21.-Col. Amyot gives noice of his intention to enquire of the Ministry whether a letter has been received from Herchmer of the Northwest Mounted Police such words could be permitted to remain in

MONTREAL, Aug. 21 .- One of the Canadian Express Company's scaled bags containing money and valuables was brought from Portland to Richmond on Tuesday night and given to the station agent, who transferred it to the Montreal messenger. When it was examined it was found that the contents had been removed and brown paper substituted. The contents of the bag are understood to have been of considerable

Hamilton, Aug. 21. - Mrs. Duncan Mc Leod, 211 Wellington street, reported to the police yesterday that her mother, who is 60 years of age, had disappeared. She left home yesterday afternoon to go to the Beach and had not returned. She had about \$30 in her possession when she left. As the old lady is slightly demented her relatives fear

HAMILTON, Aug: -21. - A four year-old daughter of Mr. John D. Evans, No. 163 Bay-street nor:h, who is visiting at the Beach, fell over an embankment 32 feet in height into the lake. The embankment is very steep and very rugged at that point, and how the child escaped being killed by deep; and the child was, of course, over her depth, and it was feared that even if she had escaped death in one way she might taken with a fit and fell in the canal and meet it in another. Mr. William Somerville, commission merchant of this city, was on the scene and went down the embank ment. Whether he fell, jumped, scrambled or dived he doesn't know, but he got into the water up to his neck and rescued the little one. Neighbors got a long ladder and put it down and Mr. Somerville brought the shild up.

Gallagher, 94c. Rose Hill, Pine Hill, Union and Harrowsmith lots were disposed of to Mr. Gallagher at his highest bid, while other factories sold to other dealers at the same price. NEWBORO, Aug 20. - Neil McDonald, NORTH GOWER, Aug. 20.—On Sunday evening last Frances Beamish, aged ninety-six years, relict of the late John Beamish, died here. The deceased lady was a native of county Cork, Ireland, and during the past Stewart has gone on a trip to Manitoba.

Mr. Warren, Ottawa, will occupy the polpit
of the Methodist church on Sunday. Allan Stewart is home from at outing at Rice Lake.

Miss H. Bell, Rochester, is visiting her parents. Mrs. W. Eaves is visiting her Samuel. Beamish, of North Gower. The funeral took place on the 18th inst., the Rev. R. Atkimon officiating. A church is about to be erected at Pierce's Corners, brother at Pittsferry. Rev. Dr. McKenzie, Brockville, will preach in the Presbyterien gart passed through here to-day with an ex- Mariboro, towards which over \$1,000 has been raised. The archdescon of Ottawa writes respecting this effort : "I beg to re-

graduate of Queen's college. He practiced on Wolfe Island for several years and became very popular. His departure was much regretted. Congratulations are ex-Toronto Paper. Journeying by Bay of Quinte down to the Limestone city, again revisiting the islet ston with the memory of the views from the white Sandbanks and from Picton's noble plateaus still holding away in my heart! gemmed St. Lawrence, I returned to King-The Sugar Ship John M. Blaikle Among MONTREAL, Aug. 21.—The schr. J. M. Blaikie has reached here with sugar. The -is well worth a visit; and none will forget ship's present trip has lasted since May, the Cataraqui cemetery and Sir John's 1890, when she left Cardiff for Monte Video, grave, a dear old lady of our party telling and Newcastle, Australia. During her last me, with tears, as she leaned on the neat trip she was boarded by about fifty natives iron railing surrounding the Macdonald of the South Sea Islands, who came out plot, of how on the day of the funeral she from shore in peculiarly made canoes, of had arisen at four o'clock in the morning, which there is a model on board. The being one of the first to gain a coign of natives were almost naked and could speak | vantage in the civic chamber where the body the English language very fairly. They lay in state ; and of how she was affected on brought some roosters on board to sell and seeing a portrait of Sir John, in evening purchased tobacco, for which they paid with English gold. One man had a little bag the casket, pathetically reminding her of the first time she had met the dead chief sovereigns. They also brought cocoa nuts tain, having been in society's maze-a gra to the ship and traded them for sundry little | phic picture truly of the then and now ! The Rideau looks at the Kingston Mills articles. After all their trading had been done they asked for biscuits and got them, are well worth seeing, the natural scenery

in the near vicinity being very beautiful.
