THE DAILY WHIG. "Optimist per Ocean Dior." POINTS BROUGHT OUT. A slight change before the royal commission at Quebec has been made.

There was a great deal of discussion upon the points as to the government's interference in the government of Canada. It does not seem logical that the confederacy should be merely a legal fiction.

CONSTITUTIONAL RULE. There is a great deal of discussion upon the points as to the government's interference in the government of Canada.

GENUINE. It is singular, says it is inexplicable, that his honor Judge Angers, at Quebec, should feel called upon to place his government on trial before a royal commission.

TWO LITTLE LEOPARDS.

Two little leopards were born in a fine house in a beautiful garden. They were curious little fellows, both in spotted coats, and when they were hungry their cries were like the cries of kittens.

VERY HUNGRY indeed. thing man does at his beautiful home. Strange as may seem, having no mother love for her little babies, had been so unkind and cruel as to put up an older sister of theirs for her Christmas dinner.

FRAGS at School. Twenty frogs went to school down beside a rocky pool. Twenty little croaks were heard. "Twenty was in time," said they.

OLD MUSEUMTOWN. There was one word that little girl heard many times a day and could not imagine what it was, says Golden Days. The word was Museumtown.

STOCKINGS or Stockies. If I were asked of all things what I most would like to be, I should like to be a stocking.

THE TEA TABLE. Read This Down and You Will Be Well. I, Madam, Larank, is very sick. A cholera society is being formed at Refrey.

TO HAVE NO SHOWS THAT ALWAYS COME AND GO. I, Madam, Larank, is very sick. A cholera society is being formed at Refrey.
