THE SUGGESTIONS MADE.

DO ALD FRASEN DWELLS ON CIVIC IMPROVEMENTS.

May Be Only Errors of Judgment—Tre it on the Land Only—Dauble Up Two Departments-Pay Taxes Into the Conr.

Errors of judgment, however, are frequent, of revenue. If one class of property is the theory that many exampt the assessment must fall more the lower creations. It heavily on another. A certain fixed revenue from developing their to only is worthy of consideration. If fully ignorance on o encouraged. It would be interesting to have generated. There is nothing great

It tended service I have long thought that the police and fire departments might be amalgamated with advantage. Regarding the streets, I have sometimes thought that streets might be placed in charge of section men, whose duty it would be to see that they were clean and kept in repair. Most the tearing up of new streets might be avoided by ascertaining the condition of the houses along the line. A little forethought would paid to the chartered banks. The collector He was a native of Portreeth, Cornwall, and | ly, or as agreed upon. The matter is very simple and would save a great deal of un-

nany years.
