PROVINCIAL TEACHERS

Opening of the Annual Convention at To Tonovro, Nov. 11.—The annual conven-tion of Provincial School Trustees was com-menced yesterday afternoon at the public school buildings, about 30 delegates being

A lengthy discussion took place on those sections of the new School Act, which decomine the fluencial relation of collegists institutes to their county councils. The secretary called the attention of the convention to the clause providing for the ami-

legiate ought to receive.

Dwing to the fact that the present mode of educating the teachers-in-training at the county model schools has a demoralizing effect on the order of the public schools visited by the teachers, Rev. Mr. Somerville of Owen Sound moved that a small committee be appointed to enquire into the working of the county model schools and to suggest such changes as shall be in the interests of the pupils in the public schools and not interfere with the instruction of the teachers' training. This was carried, and Messru. Bartlett, Jeffers, McGibbon.

The secretary gave the experience of his board respecting the engagement of a teacher this last summer. After the teacher in question had accepted the position he obtained a better situation, and wrote that he was unwilling to fulfil his engagement with them. The Minister of Education was notified, and negotiations are at present in progress which may result in the young man losing his certificate. In one letter to

ELOPED FROM TORONTO Wife of 28 skips Out With a Beardless

ber. Nobody would support the motion.

DETROIT, Nov. 10 .- William A. McCord rom that city with the wife of a wellknown Toronto man. He and the woman were arrested by local detectives and taken to Police Headquarters. The injured husand was at the station when the couple were brought in. The woman is a fascinblonde of about 25 or 28 years. oung McCord was locked up on a charge of bringing stolen property into this try, he having in his possession some of the personal effects of the woman's husband The name of the couple is Thomse Pinkney and wife, Mr. Pinkney an accountant in the Farmers' Loan & Savings Co. of Toronto. McCord is his first consin, who came from Quebec about two years ago and boarded with Pinkney at 65 Major-street. The eloping couple have been together about two weeks. Mrs. Pinkney has been married nine years and has three children-two boys and a girl. Pinkney traced them to Fenton, Mich. from which place they came yesterday. 'He will not prosecute his wife and has given her up forever. He will, however, try and

convict McCord of stealing his clothing. A G T.R. COLLISION

reight and Passenger Trains Meet Curve-Several Persons Hurt. HAMILTON, Nov. 11 -There was another collision on the Grand Trunk yesterday The regular express for the north left the King-street station about 7 o'clock in charge of Conductor James O'Brien and Drive Alfred Robbins. There were about 20 pas-sengers on board. Half a mile north of Burlington Junction, when the express had not got up speed, it was run into by special freight No. 830 from the north. The engines were badly wrecked and several cars left the track. The freight train was in charge of Conductor McMarron and Driver Mullin. The men jumped and escaped injury, but the crew and passengers on the express fared badly. Engineer Alfred Robbins, 241 West-avenue north, had his right arm horribly broken near the shoul-der. Bridge Inspector James Gilchrist was thrown through the plate glass door of a coach and had his face badly cut and bruis-ed. Thomas Martin, mail clerk, was badly bruised, as were also F. H. Lambe, as-signes; M. Brennen of M. Brennen & Sons, Auditor J. Colwell of the G.T. R. and other passengers. They all got a very bad shak-ing up and had narrow escapes. Robbins and Gilchrist were brought in on the 9 clock train and taken to their homes. The freight should have waited at St Ann's, a flag station, for the express to cross it, but it came down the grade to Burington. The trainmen say that the freight beyond their control and ran away down the grade, but the passengers, near) all of whom have returned to the city, and that the men made a reckless attempt to

reach Burlington on the time of the ex-A MISSING AC COUNTANT. Toronto Assignee Leaves Creditors

the Lurch. Toronto, Nov. 11. - Another of ronto's brilliant financiers, in the person of George Anderson, jr., has gone to reside in the land of the "Stars and Stripes," leaving behind him a number of mourning

George Anderson, jr., drifted into Toronto about five years ago, as the Toronto end of the firm of Blackley & Anderson, "Accountants, Assignees, Receivers, Auditors, etc." About two years ago the firm dissolved and Anderson carried on business here by himself. He was fairly successful in securing assignments, but wholesalers who were unfortunate enough to rank as creditors on estates which he got hold of waited in vain for the dividends that never

By the time the legal expenses and the assignee's fees were charged up against the estate there was never anything left; at least a statement was seldom rendered, showing what had become of the money collected Among the estates he wound up, and wound up tight, are R. Kennedy, grocer, King-street cast, Hess Brow., furniture dealers, Smith of Milton, James Coghill, Listowel; Ross & Co., drygoods, Front-street, and W. J. McGolpin. The assets of this last estate disappeared more cleanly than the "vanishing lady." Anderson was also presi-dent of the New York Barrel Machine Comthis concern are carrying the scrip around in their pockets waiting for something to turn up. They have not made a bar'l yet. Anderson is living in Minneapolis at pre-sent. Before leaving he neglected to pay both his office and house rent and other
