There will be a scarcity of dogs in

CANADIANS MURDEREL-Terribto Double Tragedy in the Pine

WEST SUPERIOR, Nov. 20.-C. B. Greer Canadian who has a claim about 20 miles to-day to look up some relatives of James McBride, a Canadian also, who is now lying

sluding two Canadians named Redding and Bruce, started for the Canadian border posed to be very near the pastor, and one of his most confidential advisers, was to step near Rainy Lake to spend the winter on Friday McBride returned, showing signs of horrible maltreatment. His left arm cently has been treasurer of the King's county republican committee was to take his was broken and his hands and feet terplace. Iwo weeks ago an honored member of the church, who had been superintendent

of the Sunday school, was suddenly deposed, and Frank Talmage, the paster's son, was put in his place. The change nearly caused supplies, cut off the whisky. Redding and McBride were tied to trees. Subseto return, being driven from the camp, leaving Redding still tied to a tree and the other men drinking heavily. Redding was will withdraw and form a new memorial ground in front of him was another of the is as large as ever. Your only party named Bruce, riddled with bullets. The whereabouts of the others is un-

RAISING BLACK GATS

How a Recently Organized Company Wardner, of the Consolidated ompany, is here from Fair Haven, Wash He is one of the stockholders of a company just organized on Paget Sound for the propagation of black cats. An island is to be purchased, so that the cats can not egions, and there the black-cat breed is to perpetuated. The black cats will live on The cate are to be grown for their fur, and the projectors expect to make millions out of it. Most of the original stock will brought from Holland.

AGAINST "PINK TEAS."

They Are Champloned and Opposed the Episcopal Congress, WASHINGTON, Nov. 21.—"Old and New Parochial Methods" was the subject discussed to-day by the Episcopal Church Con-

Rev. Langdon Stewardson of Worcester, Mass., opposed present methods. Church entertainments would lead the way to Sunday theatres. Much of the organization within the church to-day, according to Dr. Stewardson, so far from promoting spiritual growth is a positive detriment and drag upon the religious work of the church. All through New England "pink teas," "apron parties," "bean suppers" and "bumble-bee breakfasts" have run mad in the churches. may be that they are harmless as they are absurd, but when they are carried to such an excess they go away beyond the ordin-ary and proper duties of the church and the parish and have the tendency to place them in a ridiculcus and unseemly light.

TRICKS OF FINANCE. Chicago Board of Trade Men Fleeces Through a False Report. CHICAGO, III., Nov. 21 .- The Chicag Board of Trade resolved itself an indignation meeting to-day. who have grown gray in the bus ness of separating lambs from the flooce were there minus their own wor The meeting was called to ferret out sharper who had put forth the spuri 'news" at the close of the session yesterd: that the Ukase of the Case prohibiting export of cereals had been issued. The "news" came from one of the priva wire houses. Wheat jumped up one cer but that was not the worst effect of t "fake." Brokers rushed in to cover, ar the losses were extremely heavy, because

nobody knew what was coming Whipped the Constguard. Cong, Nov. 21 .- There was a full-fledge riot to-day at Kinzale between a mob wreckers and a number of coast guarden who were detailed there to protect the mains and cargo of the wrecked ship Guels The coast guardamen, who are reteran men-elevar's men, finding the mives terribly outnumbered, drew their volvers and side arms. This so enraged to wreckers that they fell upon the mardemen "tooth and nail," literally, gave their a sound thrashing, took away their revolvers and side arms and drove the coast guardsmen, meered with mud and brnises, back to their barracks. Not content with this victory the wreck ers stole two, large cartloads of the cargo and spirited their booty away to parts un-

5 Cauadian Opium Stonggler, Cureago, Nov. 21. Harry H. Hutchir son, a Canadian, was arrested at McCoy's Hotel to-day on the charge of stauggling opsum into the United States. Hutchis on's trunk was selled and securely packed in the bottom were found 119 half-pound

A abi Pacha. They came a builder's lied the list is that of Roswell P. Flower, who on the church for seventy-five thousand dollars, and work was suspended for several kind and character were \$5,000. Up to the weeks; but, at last the tabernacle was dedicated in the early summer. To clear up the Flower for veracity has seldom been quesdebt that hung over it a series of grand concerts were announced, and a number of prominent opera singers were engaged with one of the finest bands in the city. But ill-luck followed it from the first. The great land campaign is said to have been \$25,000. It is, therefore, inconceivable that a gentledebt that hung over it a series of grand organ which was to have been ready at the man of his known liberality -running for opening did not come to time; the concerts the highest office in the state with a possible were a dead failure; the band had to sue for chance of the presidency-should pay less its money, and general dissatisfaction pre- for his election than a country member of assembly. Notwithstanding his declaration of the tabernacle for several years, and had not one in a hundred believes it is exactly managed its financial affairs while the new building was going up. He had recently attained an unenviable notoriety in consequence of his daughter's peculiar divorce waters, will return after many days. Bet cash, which, like the bread cast upon the waters, will return after many days. Bet COD LIVER OIL. If you have Asthma- ly. This is a splendid way to get a new

CAPE VINCENT NEWS

CAPE VINCERT, Nov. 19 .- The village board is talking of extending Joseph street, This is a sign that the place is growing The democrats celebrated the election M. L. Willard, for member of assembly Friday evening of last week. The R. lower band headed the procession. M Willard was elected by eleven votes. Th funeral of Mrs. Preston Hollenbeck was held at her late residence, Tuesday after noon. Recently a young man from Rosiere, a village five miles from this place, wen hunting, and while exolted over the capture

wait patiently till the time comes when the great public is admitted. To an outsider it looks as if it was a great success, but the book keeper finds that the expenses are more than the receipts. The interest on between money is about twelve or thirteen clayton people love to come up our way for Clayton people love to come up our way for Clayton people love to come up our way for the party of hunters from the place. This proves conclusively that Clayton people love to come up our way for the party of hunters from the place. This proves conclusively that the party of hunters from the place. This proves conclusively that the party of the party of hunters from the place. This proves conclusively that the party of the party of the place. This proves conclusively that the party of the place. still being smuggled from Canada into this hundred; music five thousand; then come country. Of course half a dezen customs officers cannot patrol the shores and thus ning expenses not far from ferty or fifty of the foreigners. The government will, no thousand dollars per year. Up to the predoubt, be compelled to offer a bounty for each time the receipts have not equalled the every Chinaman captured and then the the task is an easy one to land any number traffic will stop. Frank Potter spent Supday in town. The R. P. Flower band is in trying to build a three hundred and fifty a flourishing condition. The election of thousand dollar church on a hundred and Mr. Flower has had a great effect upon the organization and it is now whispered that the musical organization will be invited to Brooklyn, and he has succeeded in rearing the inauguration of the governor at Albany a very imposing structure, but it is not Jap. 1st. This quiet place has recovered paid for, nor will it be for many years to from the effects of election and little politicome. Two blocks away is St. Louis Episoal talk is at hand. The St. Lawrence copal church, one of the most beautiful hotel, being extensively repaired, will be temples in the city. It is a magnificent one of the finest hotels on the river next piece of church architecture—rich in adorn-

and appointments. It was dedicated three after the holidays. THE PITH OF THE NEWS.

his wife. The municipality buried the un-Hos. Edward Blake some time ago \$10,000 to the restoration fund of the nulversity of Toronto. He has now given \$20,000 to re-establish a general system of At New Haven, Conn. Mrs. Steit, wife of William Steit, a groose, horse-whipped Edwin T. Willard, formerly a clerk employed by her bushand but is now in business for simself. Mrs. Steit says that Williard had been talking about her. She lay in wait for him and when he came along she stepped from her concealment and saying "you will slander me, will you" began plying her whip. Friends seized the agitated women.

Are Horribly Treated. PITTERURG, Nov. 21,-Complaint was made to the humane society at Washington several days ago that a hundred negroes recently brought to the Snowdon mines of the Pittaburg & Chicago gas coal Co. were being ill treated. An investigation discloses a condition of affairs bordering on slavery. and promised good situations as coachmen and waiters. The negroes rebelled at going into the mines, but as the company had been put to as expense of \$5,000 for transportation. supplies, tools and shantles for the new men and there was a charge against each man for car fare and personal supplies and utensils, they had to work to make out expenses. sotives were engaged to see that no black man escaped. The second day the men were at work one of them was killed But like an unsubstantial "pageant faded" they had all vanished, and in their places were the stalls of the equine kings of the detactives hardenfled the reference. The ordered back as soon as the body had been world. It is not necessary now to go to Arabia's burning sands for the fleet-footed couriers that grow around the tents of wan-

couriers that grew around the tents of wandering sons of Ishmael. The United States has gathered from every land on the planet whatever there is good in horseffesh.

All the gay decorations of the previous week had disappeared, and the sombre trange and black of the horse show association was the only described. The previous week had disappeared, and the sombre trange and black of the horse show association on the previous week had disappeared. The was the only described the sound Every stove a double heater. Bibby's cheap stove house, King street.
