The Blending of Life.

And death is one of the mysterious functions of the human organism. They are constantly battling two rival elements; the one throwing off waste and effete matterdeath, the other to supply living atoms to build up and sustain-life. It is when the system grows sluggish, when the effete and dead particles, are not eliminated and remain to clog life's channels, that Hamilton's Pills of Mandrake and Butternut render greatest service. They cleanse the system, restore the liver to a healthy action, correct morbid secretions, renew the springs of life by making digestion more perfect, and proved by use the most perfect family medicine in existence. Accept no substitute for Hamilton's Pills of Mandrake and Butternut. At druggists and dealers in medicine.
