SIMPLY BECAUSE WE BUY IN LARGER QUANTITIES, buy for cash, save the discount and give the purchaser the benefit. In the undertaking, as every one knows, the one who does the largest business can do it the cheapest. It requires the same number of horses, hearse, carriages, etc., to do 50 funerals for one year as it does 350. We also do our own engraving which is a great saving. Attend personally to every funeral and with the long experience which we have had can attend to funerals better and cheaper than any one in the business.
