ODDS AND ENDS.

Oscar Swiney, while plowing near Atlanta, Ga., unearthed about seventy-five human skulls. No one has been able to account for

The late Aaron White, of Connecticut, got together five tons of pennies during his lifetime, and probably died happy in the thought.

A Buffalo bachelor has a memorandum book in which he keeps the name of every girl he has ever kissed. He had the names on the list the last time he counted up.

A Nuremberg manufacturer has invented pencils in blue, black and brown for writing on the human skin. They are for use in anatomical and clinical demonstration.

America publishes more newspapers than all the rest of the world combined. Last year its 17,107 periodicals printed the enormous number of 2,959,556,500-enough to supply every soul on earth with two newspapers.

One Maine man who soaked a lot of corn in Paris green as a breakfast for the crows only to have it eaten by a neighbor's high priced hens, is not happy; neither is the neighbor; neither are the hens.

In France it has been shown that frozen milk can be transported with the greatest ease, and after being kept for days and weeks, and then simply thawed out, it retains all the characteristics of fresh milk.

A wealthy citizen of Americus, Ga., received a letter from his daughter, who is attending a college for women, stating that she had gone to New York with a chap. The father suffered great mental excitement until he learned that "chap," was intended as an abbreviation for chaperon.

An Oxford county (Me.) farmer gives the following recipe for making the "purest maple syrup an honest man ever put between his lips": Maple syrup, ten gallons, corn meal, four quarts; molasses sugar, fifteen pounds. Mix and boil to the required thickness.

It is announced that Queen Victoria intends to have the electric light substituted for gas and candles at Windsor castle, and at the same time news comes that an electric light plant is to be put in the palace of 'the emperor of China at Pekin.

Mrs. Mercy Chase, of North Woodstock, Me., aged 88 years, has spun nine pounds of rolls and doubled and twisted the same, has knit seven pairs of double mittens, eight pairs of stockings, is now drawing in a large rug, and has patched two quilts since the wool was carded in the summer of 1888.

A team of four cows appeared in Bellevue, Idaho, not long ago, having been driven from Nebraska, a distance of 1,000 miles. They had acted as motive power for a prairie schooner, and had also furnished milk and butter for the farmer and his family en route. They were in good condition, with the exception of their feet, which needed shoes badly.

A favorite scheme of London fakirs is to catch one of the miserable little English sparrows so common there, paint it up in bright tropical bues, and bawk it on the street for £2 sterling apiece as a "rare foreign curi-

A Hebrew was recently admitted to an audience with the king of Hungary. The occurrence seems to have been an unusual one and attracted much attention. The press found it necessary to take the matter up and give extended descriptions of the actions and words of all concerned.

The great Bacon, according to the latest lights, besides being wise enough to write Shakespeare's plays, was mean enough to write Marlowe's dramas. Convincing proofs that he was the author of all the literature of his time will be published, one at a time. It is unreasonable of you to expect them all at

It is related that at a recent meeting in Vermont of a pension examining board twin brothers from Castleton presented themselves for examination. The claims were original and for the same disability, the brothers were the same height and weight and were enlisted in the same company and regiment. This was the first instance of the kind in the history of the board,

Dysnens a.

Much will necessarily depend upon the care exercised in the selection of food, which is all important to the dyspeptic. Hamilton's Pills may be used with the greatest benefit in cases where liver and bowe's complications are produced by or are a resuit of dyspepsia. Commence with one pill every second day immediately after dinner. and reduce the dose gradually until onequarter of a pill only is taken, which will be found sufficient to stimulate the liver and assist in the more perfect assimilation of tood in the stomach. Dyspeptics, my Hamilton's Pills of Mandrake and Butter

Have You Neuralgia?

If you are suffering the agonies of neural gia, and have failed to get a remedy that will afford relief, we want you to try Polson's Nerviline. No remedy in the market has given any thing like the same degree of satisfaction. Its rction or verve pain is simply marvellous, and as it is put up in 10 cent sample bottles no great expense is involved in giving it a trial. Polson's Ner viline is the most pleasant, powerful, and certain pain remedy in the world. Sold by d uggists and all dealers in medicine, 10 and 25 cents a bottle.

From Ocean to Ocean.

Fishermen and miners in Nova Scotia, mechanics and farmers in Ontario and Quebec, hunters and trappers in the Territories, and gold miners in British Columbia, use and praise Hagyard's Yellow Oil, the great in ernal and external remedy for all pain. It cures thuematism, neuralgia, sore throat and croup, and is the reliance of thousands.

"I Was Suffering,"

Says S. S. Shewfelt, of Kingsley, Man., from weakness and loss of appetite, with a severe headache, and could scarcely walk. My first bottle of Burdock Blood Bitters erabled me to walk about the house, and when I had taken the second bottle I found myself entirely cured,"

The Victor's Crown,

Should adorn the brow of the inventor of the great corn cure. Putnam's Painless Corn Extractor. It works quickly, never makes a sore spot, and is just the thing you want. See that you ges Putnam's Painless Corn Extractor, the sure, safe and painless oure for corns.

Said to be Splendid.

"I am pleased with Burdeck Blood Bit ters because it cured my rheumatism com pletely. My son also, and many other people in this vicinity, have used it and say it is splendid." Mrs. O. Perrault, Rat Portage, Ont.

Ecsema, Itchy, Scaly, Skin Tortures. The simple application of "Swaynes Ointment," wit bout any internal medicine, will cure any case of tetter, salt rheum, ringworm, piles, itch, sores, pimples, eczema all scaly, itchy skin crupt'ons no matter, how obstinate or long standing. It is potent, effective, and onets but a tribe. Lyman, Seas & Oc., Mentreal, wholesale agents.

Geologists tells us of a time in the earth's history when vegetation had a monopoly of the life upon it. That time must have been the foliage.
