A Social Affair at Wo fe Island.

On Tuesday evening the home of Henry Hinckley was thronged with guests, the party consisting of the elite of the neighbor- (called nervousness arises from debility, irrihood, all of whom arrived early in the even- tation, poor circulation and blood of low ing. A quadrille band being in attendance, vitality, Reorganize that system by Buramusements were kept up till about 12 | ing all the organs to perfect action. o'clock, when, by an intimation from Mr. Hinckley, the music ceased. The guests were no dry or prosy speeches but cheerful; animated conversation, in which the ladies engaged. In about an hour they began to loiter back to the parlors. The music recommenced, and set followed set until the day dawned. Then the party broke up, all satisfied that they enjoyed themselves to Is one of the latest discoveries of science,
