Gilbert, So- No addition to cryariation from g the conversation was that of one | phiasburg; John Maleay, Parker R. Young, | Athol; Thos. Welbanks, George Love, South Marysburg; John Cayen, Andrew Davison, North Marysburg; Picton, J. H. Allen. The institute will meet again shortly more thorough organization.

The Pittsburg Town al . The Editor, British Whig.

Sir,-I see the council has decided to tiny green cucumbers and onions, and build the hall at Barriefield, or else select a Fashionable Clothiers, everything nice in that line, was peep- site therefor in that village. Now I, as a ing, or, as Love said, "Smiling on the resident nearly from the rear, would not like to see the e pense of building a hall in-The business went on bravely, and in curred by our township when, by renting a one year Love's husband, who was par- building, the same purpose would be equaltially restored to health, forsook the bed ly subserved, and I think it dispassionate and took charge of it, and she went judgment prevails with the present council, back to the nursery-every good moth- now the contest is over, they will view the er's place when duty or Providence does | matter in the same light. The truly brave | are always generous, and I believe the sitting members are too chivalrous to trample on a fallen enemy. No doubt they can build a hall if they choose, but, in view of street and number of a large store in a year? I do not say this in anticipation of cured by

> Now there are buildings at Barriefield council of his corner building, and I am, sure the general sense of the electors, 1. taken, would be in favor of such a course. As I said before the matter lies in their
