A Six Weeks' Holiday.

The city council will not meet again until the first week in September, unless the mayor finds it absolutely necessary to call the members together. The council made arrangements for the pay. ment of the laborers and contractors, and also gave the market committee power to arrange for the leases of the markets tolls to the bighest tenderers.

De It Next November. Ald. Dunn wanted the council to strike out the appropriation for coal oil lamps and substitute electricity for the outlying wards. Nine electric sparks would K.C.I. only cost \$675, and the light provided would be far superior to that now supplied. As the contract for lighting the coal oil lamps does not expire until November the aldermen will consider the matter until that date.

A Trifle too Fresh.

The budget was adopted without any Ald. Shannon introduced a resolution at the council meeting last evening, condemnatory of the Ontario government for granting school boards the privilege of determining the amount of money they require for current expenditure, and making it compulsory on councils to meet their demands. He wanted to spring the resolution upon the council. but when Ald. Harty objected and said the be comprehended quickly by sensible men. No notice was taken of his talk.

"Hall! Horrors, thail!"
